**ORDER CONFIRMING "FIRST
AMENDED JOINT CHAPTER 11 PLAN
OF REORGANIZATION FOR STATION
CASINOS, INC. AND ITS AFFILIATED
DEBTORS (DATED JULY 28, 2010)"**

On August 27, 2010, the Confirmation Hearing¹ with respect to the above-captioned Debtors² “First Amended Joint Chapter 11 Plan of Reorganization for Station Casinos, Inc. and its Affiliated Debtors (Dated July 28, 2010)” (docket no. 1863, the “Plan”) commenced before this Court in the above-captioned Chapter 11 Cases. After receiving evidence submitted by the parties, hearing the arguments of counsel, and weighing all the admitted evidence, and having determined that the Plan meets all of the requirements for confirmation under Section 1129 of the Bankruptcy Code and that there is good cause to confirm of the Plan, and as set forth in the “Findings of Fact and Conclusions of Law Regarding Confirmation of ‘First Amended Joint Chapter 11 Plan of Reorganization for Station Casinos, Inc. and its Affiliated Debtors (Dated July 28, 2010)’” (the “Findings of Fact and Conclusions of Law”) entered contemporaneously herewith, **IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:**

1. Confirmation of the Plan. The Plan and each of its provisions are confirmed in each and every respect pursuant to section 1129 of the Bankruptcy Code (subject to the modifications contained in paragraph 37 below). Any objections, responses to and reservations of right regarding confirmation of the Plan or any terms of the Plan, whether filed on the docket or stated orally in court, and whenever filed or stated, other than those withdrawn with prejudice in their entirety prior to, or on the record at the Confirmation Hearing, are overruled on the merits.

2. The failure to specifically make reference to any particular provision of the Plan in this Confirmation Order shall not impair or diminish the effectiveness of any such provision, it being the intent of the Court that the Plan is confirmed in its entirety, and that each term and provision of the Plan (including as expressly modified herein) is valid and enforceable pursuant to its terms. A copy of the Plan without exhibits³ is attached hereto as Exhibit 1 and

¹ Unless otherwise specified, capitalized terms and phrases used in this Confirmation Order have the meanings assigned to them in the Plan, Disclosure Statement, or the Court’s Findings of Fact and Conclusions of Law, as applicable. The rules of interpretation set forth in Article I.A. of the Plan shall apply to this Confirmation Order.

² GV Ranch Station, Inc. is a debtor in these jointly administered cases, but it is not a proponent of the Plan and its estate is not the subject of the Plan.

³ A copy of the Plan with exhibits can be found at docket no. 1863. The Plan Supplements, which contain additional Plan exhibits, can be found at docket nos. 1914 and 1935.

1 incorporated herein in its entirety by this reference. A copy of the Findings of Fact and
2 Conclusions of Law is attached hereto as Exhibit 2.

3 3. Restructuring Transactions. The Stalking Horse APA is approved and the sale of
4 the Opco Assets to Purchaser is approved. The APA Amendment is approved, and all references
5 to the Stalking Horse APA in the Plan, the Findings of Fact and Conclusions of Law and in this
6 Confirmation Order shall mean as amended by the APA Amendment.

7 4. Each of the Restructuring Transactions Related Documents and the other
8 agreements and documents implementing the Plan are approved, and the parties to such
9 agreements and documents are authorized and directed to execute and deliver them in
10 accordance with the Plan. The PIK Credit Agreement Rollup is approved.

11 5. The Debtors are authorized to take or to cause to be taken all corporate actions
12 necessary or appropriate to consummate and implement the provisions of the Plan, and all such
13 actions taken or caused to be taken shall be deemed to have been authorized and approved by the
14 Court, including, without limitation, the transfer of the New Opco Acquired Assets and New
15 Propco Acquired Assets to the applicable transferees pursuant to the Plan, without any
16 requirement of further action by the stockholders, directors, managers, partners or members of
17 any of the Debtors. On the Effective Date, each of the appropriate officers, directors, members
18 and managers of the Debtors are authorized and directed to execute and deliver the agreements,
19 documents and instruments contemplated by the Plan, including the documents required to
20 effectuate each and every one of the Restructuring Transactions. After the Effective Date, the
21 Plan Administrator is authorized to take all such actions on behalf of the Debtors. The
22 appropriate officers of the Debtors under applicable non-bankruptcy law are authorized to cause
23 the filing of chapter 11 petitions for their subsidiaries and affiliates and to achieve a result in

 3 transactions contemplated by the Stalking Horse APA or by the 363 Sale Orders (as defined in
 4 the Stalking Horse APA) (such liabilities, “Other Liabilities”) or other interests, whether
 5 presently known or unknown, in any way relating to or arising from the operations of the
 6 Debtors on or before the Effective Date, asserted by the Debtors, any creditors of the Debtors or
 7 any other Persons or Entities, including any Governmental Unit, save and excepting any specific
 8 obligations expressly undertaken by such transferee or its designee in the Plan or in any
 9 document to which such transferee is a party (including the New Opco Purchase Agreement) and
 10 which is necessary for Consummation of the Plan. On and after the Effective Date, all Holders
 11 of Liens, Claims, Equity Interests, Other Liabilities, or other interests, and all other Persons and
 12 Entities, including Governmental Units, are permanently and forever barred, restrained and
 13 enjoined from asserting any claims or enforcing remedies, or commencing or continuing in any
 14 manner any action or other proceeding of any kind, on account of any such Liens, Claims or
 15 Equity Interests, or other interests, against the entities receiving the New Opco Acquired Assets
 16 or New Propco Acquired Assets under the Plan, and their subsidiaries, creditors, equity holders
 17 and affiliates (each individually a “Transferee Party” and collectively the “Transferee Parties”).

18 7. The transactions consummated pursuant to the Stalking Horse APA and the Plan,
 19 including without limitation the New Opco Purchase Agreement, the New Propco Purchase
 20 Agreement, the New Propco Transfer Agreement and the Landco Assets Transfer Agreement,
 21 shall not constitute a *de facto* merger, or a merger, as between any Debtors or any of the Non-
 22 Debtor Affiliates and any of the Transferee Parties. The Transferee Parties, the Mortgage
 23 Lenders and the Prepetition Opco Secured Lenders shall not be or be deemed to be a successor of
 24 any of the Debtors or any of the Non-Debtor Affiliates by reason of any theory of law or equity
 25 and shall not have any successor or transferee liability of any kind, nature or character, including
 26

27 ⁴ All references in this Confirmation Order to transfers of property free and clear of Liens, Claims,

 documents with respect to assumed liabilities and permitted exceptions.

1 liabilities arising or resulting from or relating to the transactions contemplated under the Plan.
2 Without limiting the generality of the foregoing, except for any specific obligations expressly
3 undertaken by such transferee or its designee(s) in the Plan or in any agreement or other
4 document to which such transferee or designee is a party and which is entered into in connection
5 with the Consummation of the Plan, none of the Transferee Parties, including without limitation
6 Holdco, Voteco, New Propco or its Subsidiaries, New Opco or its Subsidiaries, the Mortgage
7 Lenders, the Landco Lenders, the Successful Bidder, any of the Subsidiaries of the Successful

10 the Debtors or any of the Non-Debtor Affiliates, including without limitation any amounts owed
11 by the Debtors to holders of Claims or Equity Interests or any obligations of the Debtors
12 pursuant to the Plan. On and after the Effective Date, all Holders of Claims and Equity Interests
13 and all other Persons and Entities, including Governmental Units, are permanently and forever
14 barred, restrained and enjoined from asserting any claims or enforcing remedies, or commencing
15 or continuing in any manner any action or other proceeding of any kind against any of the
16 Transferee Parties under any theory of successor liability, merger, *de facto* merger, mere
17 continuation, substantial continuity or similar theory.

18 8. This Confirmation Order shall be construed and shall constitute for all purposes a
19 full and complete general assignment, conveyance and transfer of all of the New Opco Acquired
20 Assets and the New Propco Acquired Assets on the Effective Date, transferring good and
21 marketable title in such assets to the respective transferee pursuant to the Plan (and with respect
22 to the Opco Assets, pursuant also to the Stalking Horse APA). On and after the Effective Date,
23 any and all of the New Opco Acquired Assets and the New Propco Acquired Assets in the
24 possession or control of any person or entity, including, without limitation, any vendor, supplier
25 or employee of the Debtors shall be transferred to the applicable transferee free and clear of
26 Liens, Claims and Equity Interests.

27 9. On and after the Effective Date, each Transferee Party will own the assets
28 conveyed to it and operate its business and manage its affairs free of any restrictions contained in

1 the Bankruptcy Code. The terms, provisions and conditions of the Restructuring Transactions
2 Related Documents and the other agreements and documents governing the transactions
3 described in Section V.B.3, Section V.B.4, Section V.B.5, Section V.B.7 and Section V.B.8 of
4 the Plan or otherwise implementing the Plan shall govern the obligations of the Debtors and the
5 other parties thereto and, to the extent inconsistent with the Plan, such agreements shall control.

6 10. The transferees of the New Opco Acquired Assets and New Propco Acquired
7 Assets are hereby authorized to allocate such assets, including the Assumed Contracts⁵, among
8 their affiliates, designees, assignees, and/or successors in a manner as they in their sole discretion
9 deems appropriate and to assign, sublease, sublicense, transfer or otherwise dispose of any of
10 such assets or the rights under any Assumed Contract to their affiliates, designees, assignees,
11 and/or successors with all of the rights and protections accorded under this Confirmation Order
12 and the Plan.

13 11. The guaranties, mortgages, pledges, Liens and other security interests granted
14 pursuant to each of the Opco Loan Credit Agreement, the Landco Loan Credit Agreement⁶, the
15 New Propco Loan Credit Agreement and the New Propco Land Loan Agreement (as such terms
16 are defined in the Stalking Horse APA), and the obligations thereunder, and the related collateral
17 and other loan documents: (i) are granted in good faith as an inducement to the applicable
18 lenders to provide credit thereunder; (ii) are legal, valid, enforceable and non-avoidable, and,
19 with respect to the Liens, upon all necessary filings and recordings duly perfected; (iii) shall be,
20 and hereby are, deemed not to constitute a fraudulent conveyance or fraudulent transfer, and
21 shall not otherwise be subject to avoidance; and (iv) the payment priorities among the tranches
22 (if any) of debt included in each such credit agreement, shall be fully enforceable as set forth
23 therein. As of the Effective Date, all holders of Prepetition Opco Secured Claims shall be
24

25 ⁵ “Assumed Contracts” means the contracts and leases to be assumed by the Debtors and assigned to the
26 transferees of the New Opco Acquired Assets and New Propco Acquired Assets.

27 ⁶ The documents in the Plan Supplement disclosed that the parties intended to modify the \$430 million
28 Opco Loan Credit Agreement by incorporating into it the \$25 million loan that was intended to be an
obligation under the Landco Loan Credit Agreement (as such terms are defined in the Stalking Horse
APA), making such \$25 million loan an additional term loan tranche under the Opco Loan Credit
Agreement (the “PIK Credit Agreement Rollup”).

1 deemed to have executed the Opco Loan Credit Agreement and all other related collateral and
2 other loan documents.

3 12. The UC Securities Documents (as defined in paragraph 70 of the Findings of Fact
4 and Conclusions of Law) are approved, and each party thereto is authorized and directed to
5 perform its obligations under the UC Securities Documents and to enter into any additional
6 agreements and documents necessary, appropriate or advisable for the:

7 (a) implementation of the UC Securities Documents and the consummation of any transactions
8 contemplated thereby; and (b) issuance of the UC Securities.

9 13. On and after the Effective Date, without the need for further approvals or notice,
10 the Debtors and the Administrative Agents under the applicable prepetition loan agreements and
11 any other applicable Person shall have the power and authority to terminate and discharge (and
12 to consent to terminate and discharge), and will terminate and discharge on the Closing Date (as
13 defined in the Stalking Horse APA) Liens on any assets and any guaranties arising under that
14 certain Guaranty Agreement dated as of November 7, 2007 among SCI, certain specified
15 Subsidiaries of SCI, and the Administrative Agent, in each case to effectuate the terms of the
16 Plan and the terms of the Restructuring Transactions Related Documents, including, without
17 limitation, the New Opco Purchase Agreement, the New Propco Transfer Agreement, the Landco
18 Assets Transfer Agreement and the New Propco Purchase Agreement.

19 14. For purposes of certainty and not in limitation of the terms, breadth and scope of
20 any other provision of this Confirmation Order or of the Plan, on the Effective Date, the existing
21 Liens, Claims and Equity Interests evidenced by the instruments specified on Exhibit 3 attached
22 hereto are declared terminated and of no force or effect. The omission from Exhibit 3 of any
23 Lien, Claim or Equity Interest, whether such omission was intentional or inadvertent, shall not
24 limit in any way the effect of the Plan and this Confirmation Order on any such omitted Lien,
25 Claim or Equity Interest. Exhibit 3 is incorporated into this Confirmation Order by this
26 reference.

27 15. Notwithstanding anything to the contrary in the Plan or this Confirmation Order,
28 the Liens listed on Exhibit 4 hereto survive the occurrence of the Effective Date and the transfer

1 of the New Opco Acquired Assets and New Propco Acquired Assets to the applicable
2 transferees.

3 16. Exhibit 5 hereto sets forth the legal descriptions of certain real property being
4 transferred pursuant to the Plan and this Confirmation Order free and clear of Liens, Claims and
5 Equity Interests, and, on and after the Effective Date, this Confirmation Order may be recorded
6 in the real property records of applicable jurisdictions as conclusive evidence of the removal of
7 all Liens, Claims and Equity Interests in existence against such real property on or prior to the
8 Effective Date. On and after the Effective Date, the Debtors and Plan Administrator as
9 applicable are hereby authorized to file lien termination documents with the filing officers
10 designated under the Uniform Commercial Code as enacted in applicable jurisdictions to provide
11 public notice of the termination on Liens, Claims and Equity Interests in personal property. The
12 omission from Exhibit 5 of any real property being transferred under the Plan or this
13 Confirmation Order, whether such omission was intentional or inadvertent, shall not limit in any
14 way the fact that such omitted real property is being transferred free and clear of Liens, Claims
15 and Equity Interests. Exhibit 5 is incorporated into this Confirmation Order by this reference.

16 17. On and after the Effective Date, each of the Debtors and the Plan Administrator,
17 as applicable, shall, and shall cause any of Debtors' Non-Debtor Affiliates to take any and all
18 actions to execute, deliver, File or record such contracts, instruments, releases and other
19 agreements or documents and take such actions as may be necessary or appropriate to effectuate
20 and implement the provisions of the Plan, and in each case without further notice to or order of
21 the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any
22 requirement of further action, vote or other approval or authorization by the security holders,
23 members, managers, partners, officers or directors of the Debtors.

24 18. Prior to, on or after the Effective Date (as appropriate), all matters provided for
25 pursuant to the Plan that would otherwise require approval of the stockholders, directors,
26 managers, partners or members of any Debtor (as of prior to the Effective Date) shall be deemed
27 to have been so approved and shall be in effect prior to, on or after the Effective Date (as
28 appropriate) pursuant to applicable law and without any requirement of further action by the

1 stockholders, directors, managers, members or partners of such Debtor, or the need for any
2 approvals, authorizations, actions or consents of any Person.

3 19. On and after the Effective Date, all matters provided for in the Plan involving the
4 legal or corporate structure of any Debtor and any legal or corporate action required by any
5 Debtor in connection with the Plan, shall be deemed to have occurred and shall be in full force
6 and effect in all respects, in each case without further notice to or order of this Court, act or
7 action under applicable law, regulation, order, or rule or any requirement of further action, vote
8 or other approval or authorization by the security holders, officers, managers, members, partners
9 or directors of any Debtor, or by any other Person.

10 20. The Stalking Horse APA and the transactions contemplated thereby may be
11 specifically enforced against and shall be binding upon the parties thereto, and shall not be
12 subject to rejection or avoidance by the Opco Sellers thereunder or any trustee of such Opco
13 Sellers pursuant to chapter 7 or chapter 11 of the Bankruptcy Code.

14 21. Assumed Contracts. Upon Court approval of a motion to assume and assign
15 executory contracts and/or unexpired leases to the Transferee Parties (an "Assignment Motion"),
16 the Debtors are hereby authorized to assume the applicable Assumed Contracts, execute and
17 deliver such assignment documents as may be necessary to sell, assign and transfer the Assumed
18 Contracts, and sell, assign and transfer each of the Assumed Contracts to the respective
19 transferee in accordance with the Plan. The Assumed Contracts, upon assignment and sale to the
20 respective transferee pursuant to the Plan, shall be deemed valid and binding, and in full force
21 and effect in accordance with their terms, and the respective transferees shall be fully and
22 irrevocably vested in all right, title and interest of the Debtors in, to or under each such Assumed
23 Contract.

24 22. All defaults or other obligations of the Debtors under the Assumed Contracts
25 arising or accruing on or prior to the Effective Date (without giving effect to any acceleration
26 clauses or any default provisions of the kind specified in Section 365(b)(2) of the Bankruptcy
27 Code) shall be deemed cured by the payment or other satisfaction of the Cure Amounts. The
28 Cure Amounts are not subject to further dispute or audit, including based on performance prior to

1 the assumption, assignment and sale thereof, irrespective of whether such Assumed Contract
2 contains an audit or similar clause.

3 23. Each non-Debtor party to an Assumed Contract is hereby forever barred,
4 estopped, and permanently enjoined from asserting against the transferee under the Plan of the
5 Assumed Contract any default, additional amounts or other Claims existing as of the Effective
6 Date related to any Assumed Contract, whether declared or undeclared or known or unknown;
7 and such non-Debtor parties to the Assumed Contracts are also forever barred, estopped, and
8 permanently enjoined from asserting against the transferees of the Assumed Contracts under the
9 Plan any counterclaim, defense or setoff, or any other claim, lien or interest, asserted or
10 assertable against the Debtors related to any Assumed Contract.

11 24. There shall be no rent accelerations, assignment fees, increases or any other fees
12 charged or chargeable to the transferees hereunder as a result of the assumption, assignment and
13 sale of the Assumed Contracts. Any provisions in any Assumed Contract that prohibit or
14 condition the assignment of such Assumed Contract, allow the party to such Assumed Contract
15 to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term
16 or condition upon the assignment of such Assumed Contract, constitute unenforceable anti-
17 assignment provisions, and are void and of no force and effect. The validity of the assumption,
18 assignment and sale of the Assumed Contracts to the transferees under the Plan shall not be
19 affected by any existing dispute between any of the Debtors and any non-Debtor party to such
20 Assumed Contract. Any party that may have had the right to consent to the assignment of its
21 Assumed Contract is determined to have consented for the purposes of Section 365(e)(2)(A)(ii)
22 of the Bankruptcy Code.

23 25. Notwithstanding anything to the contrary in the Plan or this Confirmation Order
24 to the contrary, or otherwise, on the Effective Date, all Avoidance Actions against counterparties
25 to any Purchased Assets or Assumed Liabilities (as defined in the Stalking Horse APA),
26 including, without limitation, Assumed Contracts, are hereby released by the Debtors with such
27 releases to be effective as of the Effective Date.
28

1 26. Cancellation of Notes, Certificates and Instruments. Except as otherwise
2 provided in the Plan or this Confirmation Order or for the purpose of evidencing a right to
3 distribution hereunder or the exercise of the right of the Senior Notes Trustee or the
4 Subordinated Notes Trustee, as applicable, to assert any rights or charging liens for fees, costs
5 and expenses in accordance with the terms of the applicable Indenture, on the Effective Date, all
6 notes, stock, instruments, certificates, agreements and other documents evidencing Claims and
7 Equity Interests shall be canceled, and the obligations of the Debtors thereunder or in any way
8 related thereto shall be fully released, terminated, extinguished and discharged, in each case
9 without further notice to or order of the Bankruptcy Court, act or action under applicable law,
10 regulation, order, or rule or any requirement of further action, vote or other approval or
11 authorization by any Person.

12 27. Without limiting the generality of the foregoing paragraph, on the Effective Date,
13 the Senior Notes Indentures and the Subordinated Notes Indentures each shall be deemed to be
14 canceled, and the obligations of the Debtors thereunder shall be fully released, terminated,
15 extinguished and discharged; provided, however, that the Senior Notes Indentures and the
16 Subordinated Notes Indentures shall remain in effect for the sole purpose of facilitating
17 distributions by the respective trustee to the holders thereunder of any amounts received on
18 account of Allowed Claims held by the applicable trustee, and to permit such trustee to perform
19 such other necessary administrative tasks related thereto and to exercise any right under the
20 applicable Indenture to assert any rights or charging liens for fees, costs and expenses.

21 28. Dismissal of Officers and Directors. Upon the occurrence of the Effective Date,
22 (i) the existing boards of directors of each Debtor shall be dissolved without any further action
23 required on the part of any such Debtors, the partners, shareholders or members of any such
24 Debtor, or the officers, managers or directors of such Debtors, and (ii) any and all remaining
25 managers or officers of each Debtor shall be dismissed without any further action required on the
26 part of any such Debtors, the shareholders, partners or members of such Debtors, or the officers,
27 managers or directors of such Debtors. After the Effective Date, the Plan Administrator shall
28 have full legal and corporate authority, as if the Plan Administrator were an officer or manager

1 of the Debtors, to take any action required or authorized by the Plan, this Confirmation Order or
2 subsequent order of this Court. The Plan Administrator may use as its legal counsel the same
3 law firms currently engaged as counsel to the Debtors.

4 29. Settlements, Releases, Injunctions Related to Release, and Exculpation. The
5 Comprehensive Settlement and Global Settlement contained in Article X.B. of the Plan, the
6 releases and related injunction contained in Article X.C. of the Plan, including the Third Party
7 Release provided for in Article X.C.2. of the Plan consistent with the indications granting such
8 Third Party Release by those Holders of Claims or Equity Interests on their ballots (as detailed in
9 paragraphs 84-87 of the Findings of Fact and Conclusions of Law), the exculpation contained in
10 Article X.D. of the Plan, and the preservation of causes of action contained in Article X.E. of the
11 Plan, are hereby approved in all respects as if fully restated herein.

12 30. On the Effective Date, and effective as of the Effective Date, the Plan shall bind,
13 and shall be deemed binding upon, all Holders of Claims against and Equity Interests in the
14 Debtors, and such Holder's respective successors and assigns, to the maximum extent permitted
15 by applicable law, notwithstanding whether or not such Holder (i) will receive or retain any
16 property or interest in property under the Plan, (ii) has filed a proof of claim or interest in the
17 chapter 11 case, or (iii) failed to vote to accept or reject the Plan or affirmatively voted to reject
18 the Plan.

19 31. Supplemental Injunction. In order to preserve and promote the settlements
20 contemplated by and provided for in the Plan, except as otherwise expressly provided in the Plan
21 or this Confirmation Order, all Persons and any Person claiming by or through them, which have
22 held or asserted, which currently hold or assert or which may hold or assert any Claims or any
23 other Causes of Action, obligations, suits, judgments, damages, debts, rights, remedies or
24 liabilities of any nature whatsoever, and all Interests, or other rights of a Holder of an equity
25 security or other ownership interest, against any of the Released Parties based upon, attributable
26 to, arising out of or relating to any Claim against or Interest in any of the Debtors, whenever and
27 wherever arising or asserted, whether in the U.S. or anywhere else in the world, whether
28 sounding in tort, contract, warranty or any other theory of law, equity or admiralty, shall be, and

1 shall be deemed to be, permanently stayed, restrained and enjoined from taking any action
2 against any of the Released Parties for the purpose of directly or indirectly collecting, recovering
3 or receiving any payment or recovery with respect to any such Claims or other Causes of Action,
4 Litigation Claims, obligations, suits, judgments, damages, debts, rights, remedies or liabilities,
5 and all Interests or other rights of a Holder of an equity security or other ownership interest,
6 arising on or prior to the Effective Date (including prior to the Petition Date), including, but not
7 limited to:

8 (a) commencing or continuing in any manner any action or other
9 proceeding of any kind with respect to any such Claims or other Causes of Action, Litigation
10 Claims, obligations, suits, judgments, damages, debts, rights, remedies or liabilities, and all
11 Interests, or other rights of a Holder of an equity security or other ownership interest, against any
12 of the Released Parties or the assets or property of any Released Party;

28

1 remedies or liabilities, and all Equity Interests or other rights of a Holder of an equity security or
2 other ownership interest; and

3 (e) taking any act, in any manner, in any place whatsoever, that does not
4 conform to, or comply with, the provisions of the Plan or the Confirmation Order relating to such
5 Claims or other Causes of Action, Litigation Claims, obligations, suits, judgments, damages,
6 debts, rights, remedies or liabilities, and all Interests or other rights of a Holder of an equity
7 security or other ownership interest.

8 32. Bankruptcy Rule 3016 Compliance. The Debtors' compliance with the formal
9 requirements of Bankruptcy Rule 3016(c) shall not constitute an admission that the Plan provides
10 for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

11 33. Plan Classification Controlling. The classifications of Claims and Equity
12 Interests for purposes of the distributions to be made under the Plan shall be governed solely by
13 the terms of the Plan. The classifications set forth on the Ballots tendered to the Debtors'
14 creditors in connection with voting on the Plan (a) were set forth on the Ballots solely for
15 purposes of voting to accept or reject the Plan, (b) do not necessarily represent and in no event
16 shall be deemed to modify or otherwise affect, the actual classifications of such Claims under the
17 Plan or for distribution purposes, and (c) shall not be binding on the Debtors, their Estates or the
18 Reorganized Debtors.

19 34. Valuation of New Propco and NPH Warrants. For all purposes arising in
20 connection with the Plan and the transactions contemplated by the Plan: (a) the aggregate
21 transaction value for the acquisitions of the New Propco Acquired Assets and the New Opco
22 Acquired Assets is \$2.572 billion, and the equity value of New Propco is \$326 million (which
23 equity value may be adjusted based upon actual borrowings and cash on hand on the Effective
24 Date); and (b) the value of the NPH Warrants is between \$0.4 million and \$2.3 million.

25 35. Retention of Jurisdiction. Pursuant to Sections 105(c) and 1142 of the
26 Bankruptcy Code and notwithstanding the entry of the Confirmation Order and the occurrence of
27 the Effective Date, the Bankruptcy Court shall, after the Effective Date, retain such jurisdiction
28 over the Chapter 11 Cases and all Entities with respect to all matters related to the Chapter 11

1 Cases, the Debtors and the Plan as legally permissible, including, without limitation, jurisdiction
2 to:

- 3 i. allow, disallow, determine, liquidate, classify, estimate or establish the priority or
4 secured or unsecured status of any Claim or Equity Interest, including, without limitation,
5 the resolution of any request for payment of any Administrative Claim, the resolution of
6 any and all objections to the allowance or priority of any Claim or Equity Interest, and
7 the resolution of any claim for taxes of any kind arising on or prior to the Effective Date
8 or as a result of any transactions occurring on or before the Effective Date in accordance
9 with the Plan and the rights of the Debtors or the Plan Administrator to apply tax
10 attributes in satisfaction or offset of any such claims;

12 of expenses authorized pursuant to the Bankruptcy Code or the Plan, for periods ending
13 on or before the Confirmation Date;

15 Executory Contract or Unexpired Lease to which any Debtor is party or with respect to

17 arising therefrom, including, without limitation, those matters related to any amendment

24 matters and any other Causes of Action that are pending as of the Effective Date or that
25 may be commenced in the future, and grant or deny any applications involving the
26 Debtors that may be pending on the Effective Date or instituted after the Effective Date;
- 27 vii. enter such orders as may be necessary or appropriate to implement or
28 consummate the provisions of the Plan and all other contracts, instruments, releases,
indentures and other agreements or documents adopted in connection with the Plan, the
Plan Supplement or the Disclosure Statement;
- viii. resolve any cases, controversies, suits or disputes that may arise in connection
with the Consummation, interpretation or enforcement of the Plan or any Entity's
obligations incurred in connection with the Plan, or arising out of or relating to the
Stalking Horse APA or a breach thereof; provided, however, that the Court's retention of
jurisdiction shall not govern the enforcement of the New Opco Credit Agreement and
New Propco Credit Agreement, and any dispute arising under or in connection with the
New Opco Credit Agreement or New Propco Credit Agreement shall be addressed and
resolved in accordance with the provisions of the applicable document;
- ix. hear and determine all Causes of Action that are pending as of the Effective Date
or that may be commenced in the future;

- 2 xii. resolve any cases, controversies, suits or disputes with respect to the Release, the
- 3 Exculpation, and other provisions contained in the Plan and enter such orders or take
- 4 such others actions as may be necessary or appropriate to implement or enforce all such
- 5 releases, injunctions and other provisions;
- 6 xiii. hear and determine the Litigation Claims by or on behalf of the Debtors or the

- 14 the Disclosure Statement, the Confirmation Order or any contract, instrument, release,
- 15 indenture or other agreement or document adopted in connection with the Plan or the
- 16 Disclosure Statement; *provided, however*, the Court's retention of jurisdiction shall not
- 17 govern the enforcement of the loan documentation executed in connection with the New
- 18 Opco Credit Agreement, the New Propco Credit Agreement and the New Opco PIK
- 19 Credit Agreement or any rights or remedies related thereto, and any dispute arising under
- 20 or in connection with such credit agreements shall be addressed and resolved in
- 21 accordance with the provisions of the applicable document; and
- 22 xvii. enter an order concluding or closing the Chapter 11 Cases.

23 36. Plan Support Motions Approved. Each of the Plan Support Motions is approved,

24 and the terms of the underlying settlements, stipulations and agreements thereof are incorporated

25 into the Plan and this Confirmation Order, and the parties to such settlements, stipulations and

26 agreements are authorized and directed to comply with their obligations thereunder.

27 37. Plan Modifications Approved. The Plan Modifications are approved. All

28 references to the Plan in the Finding of Fact and Conclusions of Law and in this Confirmation

Order shall mean as modified by the following Plan Modifications:

- (a) Article I.B. of the Plan is modified as follows:
 - (i) The definition of Exculpated Parties shall include the Settling Lenders and Mezzco Lenders; provided, however, that the Settling Lenders shall be Exculpated Parties only if all of the applicable terms and conditions of the Settling Lender Stipulation are satisfied by the Settling Lenders.

(b) Article IX.B. of the Plan is modified as follows:

After the ninth condition in Article IX.B. the following condition is added: “10. (c) Article IX.C. of the Plan is modified as follows:

The reference in Article IX.C. to “. . . the conditions specified in Article IX.B.5 or B.6 . . . ” shall be replaced with “. . . the conditions specified in Article IX.B.5, B.6 or B.10 . . . ”.

(d) Article VI. of the Plan is modified as follows:

The following provision supersedes any contrary provisions of Article VI: “Notwithstanding anything in the Plan to the contrary, the Debtors shall have until December 1, 2010 to file and serve motions to assume, assume and assign, or reject Executory Contracts and Unexpired Leases (and may obtain additional time by filing a motion for additional time prior to such deadline and upon notice and a hearing and a showing of good cause). If the Debtors reject an Executory Contract or Unexpired Lease, the non-debtor party shall have 30 days from entry of the order approving the rejection to file a Proof of Claim for rejection damages.”

(e) Article V.H. of the Plan is modified as follows:

Class (iii) of Article V.H. is deleted and the following is added to Article V.H.: “The Debtors shall be dissolved as soon as practicable after the Effective Date, but in no event later than the closing of the Chapter 11 Cases. After the Effective Date, the Plan Administrator shall act as the sole officer or manager, as the case may be, of each of the Debtors.”

38. Section 505 Proceedings. The Plan provides that the Debtors shall be entitled to seek an expedited determination under Section 505 of the tax liability of the Debtors for all taxable periods ending after the Petition Date through, and including, the Effective Date. The Court’s reservation of jurisdiction in paragraph 35 above shall include the determination of any

1 such tax liability of the Debtors, including the rights of the Debtors or the Plan Administrator to
2 apply tax attributes in satisfaction or offset of any such claims.

3 39. Dissolution of Committee. On the Effective Date, the Official Committee of
4 Unsecured Creditors appointed by the Office of the United States Trustee shall dissolve
5 automatically and its members shall be released and discharged from all rights, duties and
6 responsibilities arising from, or related to, the Chapter 11 Cases.

7 40. Dissolution of SLC: On the Confirmation Date, the SLC (as defined in paragraph
8 76 of the Findings of Fact and Conclusions of Law) shall be terminated, dissolved and
9 discharged from any further duties and responsibilities, and the members of the SLC and their
10 agents (including attorneys and financial advisors) shall be released and discharged from any
11 Claims of any Person or Entity arising from any acts or omissions related to the prepetition and
12 post-petition activities of the SLC. The SLC, its members and agents (including attorneys and
13 financial advisors) shall be included in the Plan definitions of Released Parties and Exculpated
14 Parties.

15 41. Payment of Statutory Fees. All outstanding fees payable pursuant to Section 1930
16 of title 28, United States Code shall be paid on the Effective Date. All such fees payable after
17 the Effective Date shall be paid by the Debtors prior to the closing of the Chapter 11 Cases when
18 due or as soon thereafter as practicable.

19 42. Additional Modifications of Plan. Subject to any limitations contained in the
20 Plan, the Debtors or the Plan Administrator, as applicable, may, upon order of the Bankruptcy
21 Court, amend or modify the Plan or remedy any defect or omission or reconcile any
22 inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent
23 of the Plan, provided, however, that any amendment, modification or supplement to the Plan
24 shall be reasonably acceptable to the Purchaser, the Mortgage Lenders, FG and the Required
25 Consenting Lenders and shall not be inconsistent with the terms of the New Opco Purchase
26 Agreement, the Mortgage Lender/FG Restructuring Agreement, the Opco Lender Restructuring
27 Support Agreement, the Committee Plan Support Stipulation or the Put Parties Support
28 Agreement. A Holder of a Claim or Equity Interest that has accepted the Plan shall be deemed to

1 have accepted the Plan, as altered, amended or modified, if the proposed alteration, amendment
2 or modification does not materially and adversely change the treatment of such Claim or Equity
3 Interest of such Holder.

4 43. Substantial Consummation. Upon the occurrence of the Effective Date, the Plan
5 shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the
6 Bankruptcy Code.

7 44. Successors and Assigns. The Plan is and shall be binding upon and inure to the
8 benefit of the Debtors, and their respective successors and assigns. The rights, benefits, and
9 obligations of any Person or Entity named or referred to in the Plan is and shall be binding on,
10 and shall inure to the benefit of, any heir, executor, administrator, successor, or assign of such
11 Person or Entity.

12 45. Further Assurances. The Debtors or the Plan Administrator, as applicable, all
13 Holders of Claims and Equity Interests receiving distributions hereunder and all other Persons
14 and Entities shall, from time to time, prepare, execute and deliver any agreements or documents
15 and take any other actions as may be necessary or advisable to effectuate the provisions and
16 intent of the Plan and this Confirmation Order. On or before the Effective Date, the Debtors
17 shall File with the Bankruptcy Court all agreements and other documents that may be necessary
18 or appropriate to effectuate and further evidence the terms and conditions of the Plan.

19 46. Exemption from Registration. Pursuant to Section 1145, any securities or
20 interests issued on account of or in exchange for (in whole or in part) Claims against the Debtors,
21 or otherwise in conjunction with the Plan, including the UC Securities, shall not be required to be
22 registered under the Securities Act of 1933 or any similar federal, state, or local law.

23 47. Filing and Recording. This Confirmation Order is and shall be: (a) effective as a
24 determination that, except as otherwise provided in the Plan or this Confirmation Order, or in
25 any contract, instrument, release or other agreement or document entered into or delivered in
26 connection with Consummation of the Plan, on the Effective Date, all Claims existing prior to
27 such date have been unconditionally released, discharged, and terminated; and (b) binding upon
28 and shall govern the acts of all Persons and Entities including, without limitation, all filing

1 agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds,
2 registrars of deeds, administrative agencies, governmental departments, secretaries of state,
3 federal, state, and local officials, and all other persons and entities who may be required, by
4 operation of law, the duties of their office, or contract, to accept, file, register, or otherwise
5 record or release any document or instrument.

6 48. Exemption from Certain Transfer Taxes. Any transfers of property pursuant to
7 the Plan shall not be subject to any Stamp or Similar Tax or governmental assessment in the
8 United States. All federal, state or local governmental officials or agents are directed by this
9 Confirmation Order to forgo the collection of any such Stamp or Similar Tax or governmental
10 assessment and to accept for filing and recordation instruments or other documents pursuant to
11 such transfers of property without the payment of any such Stamp or Similar Tax or
12 governmental assessment. Such exemption specifically applies, without limitation, to all actions,
13 agreements and documents necessary to evidence and implement the provisions of, and the
14 distributions and transfers to be made under the Plan, including without limitation the
15 recordation of any mortgage pursuant to the New Propco Credit Agreement.

16 49. Bulk Sales Laws. No bulk sales law or similar law of any state or other
17 jurisdiction shall apply to any of transfers pursuant to the Stalking Horse APA or the other
18 Restructuring Transactions.

19 50. Bar Dates. Within 10 business days after entry of this Confirmation Order, the
20 Debtors shall give notice of entry of the Confirmation Order, and that the bar date for
21 Administrative Claims arising on or before December 1, 2010 shall be December 21, 2010.
22 Within five business days after the occurrence of the Effective Date, the Plan Administrator shall
23 file and serve notice of the occurrence of Effective Date and of the following bar dates and
24 deadlines: (a) the Administrative Claim Bar Date for the period December 2, 2010 through and
25 including the Effective Date shall be 30 days after the Effective Date; (c) the Professional Fees
26 Bar Date shall be 60 days after the Effective Date; and (b) the Claims Objection Bar Date shall
27 be 120 days after the Effective Date. Prior to the expiration of the foregoing deadlines and bar
28

1 dates, the Debtors or Plan Administrator, as applicable, may move the Court for an order
2 extending any of the foregoing bar dates and deadlines for good cause.

3 51. The failure of any Person or Entity to file a proof of Administrative Claim or an
4 application for payment of professional fees by the deadlines and bar dates referred to in the
5 immediately preceding paragraph shall result in such Person or Entity being forever barred,
6 estopped and enjoined from asserting such Claim, and such Claim shall not be enforceable,
7 against the Debtors, the Estates or any of their respective property, and such Claim shall be
8 forever discharged.

9 52. Appeals. The reversal or modification on appeal of the authorization provided
10 herein to transfer the New Opco Acquired Assets and New Propco Acquired Assets to the
11 applicable transferees pursuant to the Plan shall not affect the validity of such transfers
12 (including the assumption, assignment, and sale of any of the Assumed Contracts) unless such
13 authorization and such transfers are duly stayed pending such appeal. The reversal or
14 modification on appeal of the authorization provided herein to implement the Restructuring
15 Transactions shall not affect the validity of any debt incurred or the priority of any Lien granted
16 pursuant to the Restructuring Transactions, including with respect to the New Opco Credit
17 Agreement (and related loan and collateral documents) and the New Propco Credit Agreement
18 (and related loan and collateral documents).

19 53. Separate Confirmation Orders. This Confirmation Order is and shall be deemed
20 to be a separate Confirmation Order with respect to each of the Debtors and estates that are the
21 subject of the Plan, and it shall be sufficient for the purposes thereof that the Clerk of Bankruptcy
22 Court enters this Confirmation Order in the docket of the jointly administered case, Case No.
23 09-52477-GWZ.

24 54. Effect of Non-Occurrence of Effective Date. In the event that the Effective Date
25 does not occur: (i) this Confirmation Order shall be vacated; (ii) no distributions under the Plan
26 shall be made, (iii) the Debtors and all holders of Claims and Equity Interests shall be restored to
27 the *status quo ante* as of the day immediately preceding the Confirmation Date as though the
28 Confirmation Date never occurred; and (iv) the Debtors' obligations with respect to Claims and

1 Equity Interests shall remain unchanged and nothing contained in the Plan shall constitute or be
2 deemed a waiver or release of any Claims or Equity Interests by or against the Debtors or any
3 other Person or will prejudice in any manner the rights of the Debtors or any Person in any
4 further proceedings involving the Debtors.

5 55. Waiver of F.R.B.P. Rule 3020(e) and F.R.C.P. Rule 62(a) Stays: The fourteen
6 day stays of F.R.B.P. Rule 3020(e) and F.R.C.P. Rule 62(a) shall not apply to this Confirmation
7 Order, and this Confirmation Order shall be effective immediately upon entry.

8 56. The Lease Stipulations (as defined in paragraph 9 of the Findings of Fact and
9 Conclusions of Law) are approved, and the Debtors time to assume, assign or reject the leases
10 that are the subject of the Lease Stipulations shall be the Effective Date (with the exception of
11 the Wild Wild West Tiberti lease, as to which the deadline shall be the earlier of Sept. 30, 2010
12 or the date that the non-debtor lessee breaches the lease).

**JOINT CHAPTER 11 PLAN OF REORGANIZATION FOR
STATION CASINOS, INC. AND ITS AFFILIATED DEBTORS**

This Joint Chapter 11 Plan of Reorganization (the “Plan”) is proposed by Station Casinos, Inc., a Nevada corporation (“SCI”), FCP PropCo, LLC, a Delaware limited liability company (“Propco”), and the following affiliated debtors and debtors in possession (collectively, the “Debtors”):

- The three entities that own the existing equity interests in SCI (collectively, the “Parent Debtors”):
 - FCP Holding, Inc. (owner of 74.8294% of non-voting stock in SCI);
 - Fertitta Partners, LLC (owner of 25.1706% of non-voting stock in SCI); and
 - FCP VoteCo, LLC (owner of 100% of voting stock in SCI);
- Four entities that are direct or indirect wholly owned subsidiaries of SCI (collectively, the “Other Opco Debtors”):
 - Northern NV Acquisitions, LLC;
 - Tropicana Station, LLC;
 - River Central, LLC; and
 - Reno Land Holdings, LLC.
- The nine entities that comprise the “MezzCo” debtors (collectively, the “Mezzco Debtors”):
 - FCP MezzCo Parent, LLC;
 - FCP MezzCo Parent Sub, LLC;
 - FCP MezzCo Borrower VII, LLC;

 - FCP MezzCo Borrower IV, LLC;
 - FCP MezzCo Borrower III, LLC;
 - FCP MezzCo Borrower II, LLC; and
 - FCP MezzCo Borrower I, LLC.

SCI also has various other direct and indirect subsidiaries and affiliates (collectively, the “Non-Debtor Affiliates”) that have not filed for bankruptcy relief and have continued to operate their businesses in the ordinary course during the pendency of the Debtors’ chapter 11 cases. If the Plan is confirmed, certain Non-Debtor Affiliates may file for bankruptcy relief in order to effectuate certain of the transactions contemplated by, or required under, the Plan. The Debtors expect that any such filings would not affect or disrupt the ordinary course operations of the Debtors or the Non-Debtor Affiliates in any material way. This Plan contemplates certain transactions involving the Debtors and various of the Non-Debtor Affiliates, including certain asset transfers, and other transactions, as part of the implementation of the Plan (including transactions that may be implemented in connection with bankruptcy filings by certain Non-

Debtor Affiliates). For a description of those transactions, please see Article V of this Plan (“Means for Implementation of the Plan”) and the related discussion in the Disclosure Statement (as defined below). If a Person other than the Stalking Horse Bidder is the Successful Bidder, the Plan may be confirmed, and/or may become effective, in stages as to one or more Debtors as the conditions to confirmation and/or effectiveness of the Plan in respect of such Debtor(s) are satisfied.

The Debtors are the proponents of this Plan within the meaning of Bankruptcy Code section 1129. Reference is made to the Disclosure Statement distributed contemporaneously herewith for a discussion of the Debtors’ history, business, results of operations, historical financial information, accomplishments during the Chapter 11 Cases (as defined below), projections and properties, and for a summary and analysis of this Plan. There also are other agreements and documents that are referenced in this Plan or the Disclosure Statement that are or will be filed with the Bankruptcy Court as part of the Plan Supplement (as defined below). All such agreements or documents are incorporated into and are a part of this Plan as if set forth in full herein. Subject to certain restrictions and requirements set forth in Bankruptcy Code section 1127 and Fed. R. Bankr. P. 3019, the terms hereof and of the Confirmation Order, and the terms of the New Opco Purchase Agreement, the Second Amended MLCA, and any other applicable orders of the Bankruptcy Court, the Debtors reserve the right to alter, amend, modify, revoke or withdraw this Plan and any of the Plan Supplement documents prior to substantial consummation of the Plan.

The Plan contemplates the sale of the New Opco Acquired Assets pursuant to the Successful Bid that emerges from the Opco Auction. The Successful Bid may differ in a variety of respects from the Stalking Horse Bid. Subject to the Second Amended MLCA and any applicable Bankruptcy Court orders, to the extent the Stalking Horse Bid is not the Successful Bid and the Successful Bid varies in terms or structure from the Stalking Horse Bid, the Debtors reserve the right to amend the Plan to reflect those variations as appropriate and to provide such supplemental disclosure of those amendments as the Bankruptcy Court may require.

The Holders of such Claims are not entitled to vote on this Plan. The treatment of the Claims set forth below is consistent with the requirements of Bankruptcy Code section 1129(a)(9)(A).

The Chapter 11 Cases for each of the Debtors will not be substantively consolidated. As such, for each category of unclassified Claims, a sub-category shall be deemed to exist for each Debtor.

A. *Administrative Claims*

Except as otherwise provided herein, on the later of the Effective Date or the date on which an Administrative Claim becomes an Allowed Administrative Claim, or, in each such case, as soon as practicable thereafter, each Holder of an Allowed Administrative Claim other than the Holder of the DIP Facility Claims will receive, in full satisfaction, settlement, discharge and release of, and in exchange for, such Claim either (i) payment in full in Cash from the Debtor(s) against which the Administrative Claim is Allowed for the unpaid portion of such Allowed Administrative Claim; or (ii) such other less favorable treatment as agreed to in writing by such Holder.

Record Date will provide such Holders that are Accredited Investors with the opportunity to indicate whether they are interested in participating in the Propco Rights Offering. Any Holder that is an Accredited Investor that indicates an interest in so participating will then be given the opportunity to subscribe in the Propco Rights Offering, provided that it subscribes for the purchase of at least \$250,000 of NPH Equity. Any Holder that does not indicate that it is interested in participating in the Propco Rights Offering by a properly completed Ballot received by the Voting and Claims Agent prior to the Voting Deadline shall not be given an opportunity to subscribe to the Propco Rights Offering.

Absent such agreement, the application of any such arrangement or obligations may result in Holders of Class S.6 Claims receiving no recovery under the Plan. There can be no assurance that any such agreement will be reached that would result in Holders of Class S.6 Claims retaining a recovery under the Plan.

In addition, the reasonable and documented fees and expenses of the Subordinated Notes Trustee (including reasonable legal fees and expenses) in an amount to be mutually agreed by the Debtors, FG, the Mortgage Lenders and the Subordinated Notes Trustee or as otherwise determined by the Bankruptcy Court, shall be paid upon confirmation of the Plan (with respect to amounts then accrued), and with respect to fees and expenses incurred between confirmation of the Plan and the

In addition to voting to accept or reject the Plan, the Ballots distributed to Holders of Class S.6 Claims as of the Rights Offering Record Date will provide such Holders that are Accredited Investors with the opportunity to indicate whether they are interested in participating in the Propco Rights Offering in the event the Plan results in NPH Investment Rights being distributed to such Holders. Any Holder that is an Accredited Investor that indicates an interest in so participating may be given the opportunity to subscribe in the Propco Rights Offering in the event the Plan results in NPH Investment Rights being distributed to such Holders. Any Holder that does not indicate that it is interested in participating in the Propco Rights Offering by a properly completed Ballot received by the Voting and Claims Agent prior to the Voting Deadline shall not be given an opportunity to subscribe to the Propco Rights Offering.

- c. The New Propco Credit Agreement.
- d. The New Land Loan Agreement.
- e. The IP License Agreement.
- f. The New Propco Non-Compete Agreement.

11. New Propco Employment Related Matters

Upon or promptly following the Effective Date of the Plan, New Propco contemplates taking steps to mitigate the impact on SCI employees of the restructuring process. Specifically, New Propco plans to make offers of employment to SCI's hourly employees at the Propco Properties and, if the Stalking Horse Bidder is the Successful Bidder, to SCI's hourly employees at all other SCI casinos: (a) at not less than the same hourly wage rate and position in effect for the respective employee immediately prior to the Effective Date; (b) with substantially similar benefits as the current Section 401(k) plan of SCI; and (c) with health and welfare benefits that in the aggregate are substantially similar to those provided by SCI under its broad-based employee benefit plans in effect immediately prior to the Effective Date.

12. The Propco Rights Offering

The NPH Term Sheet sets forth a detailed summary of the terms and conditions of the Propco Rights Offering and any additional Equity Raises (as defined in the NPH Term Sheet) that may occur. Taken together, the Propco Rights Offering and the Upsizing Committed Amount (as defined in the NPH Term Sheet) are intended to provide New Propco Holdco with up to \$100 million in equity investments, all on the terms of and subject to the conditions of the NPH Term Sheet. As set forth in the NPH Term Sheet, the net proceeds from the Propco Rights Offering shall be contributed by New Propco Holdco as equity to New Propco and utilized by New Propco for general corporate purposes, including, without limitation, to reduce debt or for one or more Acquisitions (as defined in the NPH Term Sheet). Pursuant to the terms and subject to the conditions of the Propco Commitment: (a) the Put Parties (so long as they hold at least 40% in aggregate principal amount of the Senior Notes) shall have the right to purchase at least one-half of the NPH Equity available in the Propco Rights Offering (with such portion of the NPH Equity to be allocated among the Put Parties as they mutually agree), (b) to the extent such NPH Equity is not otherwise purchased by Eligible Opco Unsecured Creditors, or the Put Parties (pursuant to the proviso to the definition of “*Allocated Pro Rata Share of NPH Investment Rights*”) in accordance with the terms and conditions of the Propco Rights Offering, the Put Parties shall purchase \$35.3 million of NPH Equity, and (c) in connection with any Equity Raises (as defined in the NPH Term Sheet) consummated during the Upsizing Commitment Period (as defined in the NPH Term Sheet), to the extent such NPH Equity is not otherwise purchased by Eligible Opco Unsecured Creditors, or the Put Parties (pursuant to the proviso to the definition of “*Allocated Pro Rata Share of NPH Investment Rights*”) in accordance with the terms and conditions of the NPH Term Sheet, the Put Parties shall purchase such unpurchased portion of each such Equity Raise up to a maximum of \$100 million (*i.e.*, up to a maximum of \$64.7 million in addition to the \$35.3 million commitment specified in clause (b)) of NPH Equity. In consideration for their agreement to the Propco Commitment, the Put Parties shall receive the Put Premium. The payment of the Put Premium to the Put Parties on the Effective Date shall be effected in such manner (such as a deduction from the purchase price otherwise payable by the Put Parties for the NPH Equity being purchased by them through Blockerco) as the Debtors, FG, the Mortgage Lenders and the Put Parties shall reasonably determine.

13. New Opco Transactions in Connection with Receipt of New Opco Acquired Assets.

In connection with Consummation of the Plan and New Opco’s receipt of the New Opco Acquired Assets, New Opco will enter into or cause to be entered into a number of agreements and transactions designed to allow New Opco to operate the New Opco Acquired Assets as a going concern business. Those agreements and transactions will include, without limitation, the following:

- a. The New Opco Credit Agreement.
- b. The New Opco PIK Credit Agreement.
- c. The New FG Management Agreement.
- d. The IP License Agreement.

14. The New Opco Credit Agreement and the New Opco PIK Credit Agreement

The collateral agent under the New Opco Credit Agreement and the New Opco PIK Credit Agreement shall have valid, binding and enforceable liens on the collateral specified in the relevant agreements executed by New Opco and its Subsidiaries in connection with the New Opco Credit Agreement and the New Opco PIK Credit Agreement. The guarantees, mortgages, pledges, liens and other security interests granted pursuant to the New Opco Credit Agreement and the New Opco PIK Credit Agreement are granted in good faith as an inducement to the lenders to extend credit thereunder and shall be, and hereby are, deemed not to constitute a fraudulent conveyance or fraudulent transfer, shall not otherwise be subject to avoidance, and the priorities of such liens and security interests shall be as set forth in the definitive documentation executed in connection therewith. The New Opco Credit Agreement and the New Opco PIK Credit Agreement together with all notes, documents or agreements delivered in connection therewith shall be valid, binding and enforceable in accordance with their terms on and after the Effective Date (it being understood and agreed that each Holder of an Allowed S.2 Claim shall be deemed a party to the New OpCo Credit Agreement and the New OpCo PIK Credit Agreement and bound by the terms thereof without the requirement of any such Holder to execute a signature page thereto). Notwithstanding anything to the contrary in this Confirmation Order or the Plan, the Court's retention of jurisdiction shall not govern the enforcement of the loan documentation executed in connection with the New Opco Credit Agreement and the New Opco PIK Credit Agreement or any rights or remedies related thereto.

C. *Second Amended MLCA*

If the Stalking Horse Bidder is the Successful Bidder, and so long as the Stalking Horse APA has not terminated, then, notwithstanding anything to the contrary in the Second Amended MLCA, the entry of the Confirmation Order will not automatically trigger a Transition Event and the obligation of SCI and its Subsidiaries to provide transition services thereunder shall be suspended (other than such services as are required during the "Deferral Period" (as defined therein)) and the "Deferral Period" shall be deemed to continue for all purposes under the Second Amended MLCA, including with respect to the payment of Reduced Rent, and the Initial Transition Services Period shall not be deemed to commence, until the earlier of (i) the date on which a Transition Event (other than due solely to the occurrence of the Confirmation Date) occurs or (ii) the date designated in writing by the Mortgage Lenders and acceptable to the Required Consenting Lenders as the date on which transition services should commence. Except as modified above, the Second Amended MLCA will remain in full force and effect and shall be enforceable pursuant to its terms.

D. *General Settlement of Claims*

Pursuant to Section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases and other benefits provided under this Plan, upon the Effective Date, the provisions of this Plan shall constitute a good faith compromise and settlement of all Claims and Equity Interests and controversies resolved pursuant to this Plan.

E. *Release of Liens, Claims and Equity Interests*

Except as otherwise provided herein or in any contract, instrument, release or other agreement or document entered into or delivered in connection with this Plan (including the New Opco Credit Agreement, the New Opco PIK Credit Agreement, the New Propco Credit Agreement, the New Land Loan Agreement and their respective related documents), on the Effective Date and concurrently with the applicable distributions made pursuant to this Plan, all Liens, Claims, Equity Interests, mortgages, deeds of trust, or other security interests against the property of the Estates shall be fully released, terminated, extinguished and discharged, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any Entity. Any Entity holding such Liens or interests shall, pursuant to Section 1142 of the Bankruptcy Code, promptly execute and deliver such instruments of termination, release, satisfaction and/or assignment (in recordable form) as may be reasonably requested by the applicable Debtor.

F. Corporate Action

Each of the Debtors, as applicable, may, and may cause any of its Non-Debtor Affiliates to, take any and all actions to execute, deliver, File or record such contracts, instruments, releases and other agreements or documents and take such actions as may be necessary or appropriate to effectuate and implement the provisions of this Plan, and in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by the security holders, officers or directors of the Debtors (except for those expressly required pursuant hereto).

Prior to, on or after the Effective Date (as appropriate), all matters provided for pursuant to this Plan that would otherwise require approval of the stockholders, directors or members of any Debtor (as of prior to the Effective Date) shall be deemed to have been so approved and shall be in effect prior to, on or after the Effective Date (as appropriate) pursuant to applicable law and without any requirement of further action by the stockholders, directors, managers or partners of such Debtor, or the need for any approvals, authorizations, actions or consents of any Person.

All matters provided for in this Plan involving the legal or corporate structure of any Debtor and any legal or corporate action required by any Debtor in connection with this Plan, shall be deemed to have occurred and shall be in full force and effect in all respects, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by the security holders, officers or directors of any Debtor, or by any other Person. On the Effective Date, the appropriate officers of each Debtor are authorized to issue, execute, and deliver, and consummate the transactions contemplated by, the contracts, agreements, documents, guarantees, pledges, consents, securities, certificates, resolutions and instruments contemplated by or described in this Plan in the name of and on behalf of the Debtor, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by any Person. The secretary and any assistant secretary of each Debtor shall be authorized to certify or attest to any of the foregoing actions.

G. Cancellation of Notes, Certificates and Instruments Without Further Action

Except as otherwise provided in this Plan or the Confirmation Order or for the purpose of evidencing a right to distribution hereunder or the exercise of the right of the Senior Notes Trustee or the Subordinated Notes Trustee, as applicable to assert any rights or charging liens for fees, costs and expenses in accordance with the terms of the applicable Indenture, on the Effective Date, all notes, stock, instruments, certificates, agreements and other documents evidencing Claims and Equity Interests shall be canceled, and the obligations of the Debtors thereunder or in any way related thereto shall be fully released, terminated, extinguished and discharged, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by any Person.

On the Effective Date, the Senior Notes Indentures and the Subordinated Notes Indentures each shall be deemed to be canceled, as permitted by Section 1123(a)(5)(F) of the Bankruptcy Code, and the obligations of the Debtors thereunder shall be fully released, terminated, extinguished and discharged; provided, however, that the Senior Notes Indentures and the Subordinated Notes Indentures shall remain in effect for the sole purpose of facilitating distributions by the respective trustee to the holders thereunder of any amounts received on account of Allowed Claims held by the applicable trustee, and to permit such trustee to perform such other necessary administrative tasks related thereto and to exercise any right under the applicable Indenture to assert any rights or charging liens for fees, costs and expenses.

H. Dismissal of Officers and Directors, Dissolution of Debtors and Dissolution of the Boards of Directors of Each Debtor

Upon the Effective Date, (i) the existing boards of directors of each Debtor shall be dissolved without any further action required on the part of any such Debtors, the shareholders of any such Debtor, or the officers and directors of such Debtors, (ii) any and all remaining officers of each shall be dismissed without any further action required on the part of any such Debtors, the shareholders of such Debtors, or the officers and directors of such Debtors and (iii) each Debtor shall be deemed dissolved without any further action required on the part of any such Debtors, the shareholders of such Debtors, or the officers and directors of such Debtors.

ARTICLE VI.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption of Executory Contracts and Unexpired Leases

1. On the Effective Date, all Executory Contracts and Unexpired Leases identified on the Schedule of Executory Contracts and Unexpired Leases To Be Assumed will be deemed assumed by the applicable Debtor in accordance with, and subject to, the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code.

2. On the Effective Date, any Executory Contract or Unexpired Lease will be deemed rejected if such Executory Contract or Unexpired Lease:

- (i) Is not listed on the Schedule of Executory Contracts and Unexpired Leases To Be Assumed;

- (ii) has been rejected by order of the Bankruptcy Court;
- (iii) is the subject of a motion to reject pending on the Effective Date;
- (iv) is identified in the Plan Supplement as a contract or lease to be rejected or in the New Opco Purchase Agreement as an Excluded Asset;
- (v) is rejected pursuant to the terms of this Plan;
- (vi) expired by its own terms on or prior to the Effective Date; or
- (vii) has not been assumed or is not the subject of a motion to assume pending on the Effective Date.

Without amending or altering any prior order of the Bankruptcy Court approving the assumption or rejection of any Executory Contract or Unexpired Lease, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions and rejections pursuant to Sections 365(a) and 1123 of the Bankruptcy Code. To the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to this Plan (including, without limitation, any “change of control” provision) restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease, then such provision shall be deemed modified such that the transactions contemplated by this Plan shall not entitle the non-debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

B. Assignment of Executory Contracts or Unexpired Leases

Unless and as otherwise provided by a prior order to the Bankruptcy Court, in the event any Debtor proposes to assign an Executory Contract or Unexpired Lease, at least twenty (20) days prior to the Confirmation Hearing, the Debtors shall serve upon counterparties to such Executory Contracts and Unexpired Leases, a notice of the proposed assumption and assignment, which will: (a) list the applicable cure amount, if any; (b) identify the party to which the Executory Contract or Unexpired Lease will be assigned; (c) describe the procedures for filing objections thereto; and (d) explain the process by which related disputes will be resolved by the Bankruptcy Court. Any applicable cure amounts shall be satisfied, pursuant to Section 365(b)(1) of the Bankruptcy Code, by payment of the cure amount in Cash on the Effective Date or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. Subject to the foregoing, any Executory Contract or Unexpired Lease that constitutes a New Propco Acquired Asset shall be assigned to New Propco or its designated Subsidiary in accordance with the terms of this Plan and pursuant to the New Propco Purchase Agreement or New Propco Transfer Agreement, as applicable, and any Executory Contract or Unexpired Lease that is to be assigned to New Opco or its designated Subsidiary in accordance with the terms of the New Opco Purchase Agreement shall be so assigned in accordance with the terms of this Plan.

Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assignment or any related cure amount must be filed, served and actually received by

the Debtors at least five (5) days prior to the Confirmation Hearing. Any counterparty to an Executory Contract and Unexpired Lease that fails to object timely to the proposed assignment or cure amount will be deemed to have consented to such assignment of its Executory Contract or Unexpired Lease.

The Confirmation Order shall constitute an order of the Bankruptcy Court approving any proposed assignments of Executory Contracts or Unexpired Leases pursuant to Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date.

In the event of a dispute regarding (a) the amount of any cure payment, (b) the ability of any assignee to provide “adequate assurance of future performance” (within the meaning of Section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assigned or (c) any other matter pertaining to assignment, the applicable cure payments required by Section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the dispute and approving the assignment. If an objection to assignment or cure amount is sustained by the Bankruptcy Court, the Debtors, with the consent of New Propco and/or the Successful Bidder, as applicable, may elect to reject such Executory Contract or Unexpired Lease in lieu of assuming and assigning it.

C. *Claims on Account of the Rejection of Executory Contracts or Unexpired Leases*

All Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases pursuant to this Plan or the Confirmation Order, if any, must be filed with the Bankruptcy Court within thirty (30) days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection.

Any Entity that is required to file a Proof of Claim arising from the rejection of an Executory Contract or an Unexpired Lease that fails to timely do so shall be forever barred, estopped and enjoined from asserting such Claim, and such Claim shall not be enforceable, against the Debtors, the Estates or any of their respective property, and such Claim shall be forever discharged. All such Claims shall, as of the Effective Date, be subject to the permanent injunction set forth in Article X.F hereof.

D. *Director and Officer Insurance Policies*

The Debtors shall obtain (at market-based premiums) prior to the Effective Date insurance policies providing substantially similar coverage as the existing D&O Liability Insurance Policies coverage for claims (as defined in such policies) made for any wrongful acts (as defined in such policies) or other covered conduct, acts or omissions occurring prior to the Effective Date (also referred to as “tail coverage”) with coverage (in scope and substance) and on terms no less favorable to the current insureds than the Debtors’ insurance policies existing as of the date of entry of the Confirmation Order, which insurance policies shall be reasonably acceptable to the Mortgage Lenders (the “*Tail Coverage Insurance Policies*”). The costs of the Tail Coverage Insurance Policies shall be allocated among the Debtors in a manner satisfactory to the Required Consenting Lenders and the Mortgage Lenders, or as otherwise ordered by the Bankruptcy Court after notice and a hearing, such that each Debtor bears the expense of its own coverage.

ARTICLE VII.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Distributions for Claims and Equity Interests Allowed as of the Effective Date

Except as otherwise provided in the “Treatment” sections in Article III hereof or as ordered by the Bankruptcy Court, distributions to be made on account of Claims and Equity Interests that are Allowed Claims or Equity Interests as of the Effective Date shall be made on the initial distribution date or as soon thereafter as is practicable. Other than with respect to Classes P.2 and S.2, any distribution to be made on the Effective Date pursuant to this Plan shall be deemed as having been made on the Effective Date if such distribution is made on the Effective Date or as soon thereafter as is practicable. Any payment or distribution required to be made under this Plan on a day other than a Business Day shall be made on the next succeeding Business Day. Distributions on account of Disputed Claims and Equity Interests that first become Allowed Claims and Equity Interests after the Effective Date shall be made pursuant to Article VIII hereof.

B. Post-Petition Interest on Claims

Unless otherwise specifically provided for in this Plan or the Confirmation Order or any other Final Order, or required by applicable bankruptcy law, post-petition interest shall not accrue or be paid on any Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim.

C. Distributions under the Plan

Other than as specifically set forth below or in the New Propco Purchase Agreement, the New Propco Transfer Agreement, the New Opco Purchase Agreement or the Landco Assets Transfer Agreement, the Plan Administrator or Distribution Agent shall make all distributions required to be distributed under this Plan; provided, however, that the Plan Administrator or Distribution Agent may employ or contract with other entities to assist in or make the distributions required by this Plan; provided, further, that SCI or the Successful Bidder shall make all cash distributions to Holders of Allowed Claims in Class S.2 and Propco shall make all cash distributions to Holders of Allowed Claims in Class P.2. Neither New Propco nor New Opco shall have any obligation to fund the expenses incurred by the Plan Administrator from and after the Effective Date. Distributions made on account of Allowed Senior Notes Claims shall be deemed complete when made to the Senior Notes Trustee for distribution pursuant to the terms of the Senior Notes Indentures. Distributions on account of Allowed Subordinated Notes Claims shall be deemed complete when made to the Senior Notes Trustee until such time as the Allowed Senior Notes Claims are paid in full to effectuate the subordination provisions as provided for in the Subordinated Notes Indentures. Thereafter, distributions made on account of Allowed Subordinated Notes Claims shall be deemed complete when made to the Subordinated Notes Trustee.

D. Delivery and Distributions and Undeliverable or Unclaimed Distributions

1. Record Date for Distributions

On the Distribution Record Date, the Claims Register shall be closed. Accordingly, the Plan Administrator and Distribution Agent will have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute securities, property, notices and other documents only to those Holders of Allowed Claims who are Holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date. The Plan Administrator or any other applicable Distribution Agent shall be entitled to recognize and deal for all purposes under this Plan with only those record holders stated on the Claims Register, or their books and records, as of the close of business on the Distribution Record Date.

2. Delivery of Distributions in General

Except as otherwise provided herein, the Plan Administrator or Distribution Agent, as applicable, shall make distributions to Holders of Allowed Claims and Equity Interests, or in case of their authorized agents, as appropriate, at the address for each such Holder or agent as indicated on the Debtors' books and records as of the date of any such distribution; provided, however, that if a Holder of an Allowed Claim or Equity Interest Files a Proof of Claim, the address for such Holder shall be deemed to be the address set forth in any Proof of Claim Filed by that Holder.

3. Minimum Distributions

Notwithstanding anything herein to the contrary, no Debtor, Plan Administrator or Distribution Agent shall be required to make distributions or payments of less than Five Hundred (\$500.00) Dollars (whether in Cash or otherwise) or to make partial distributions or payments of fractions of dollars. Whenever any payment or distribution of a fraction of a dollar under this Plan would otherwise be called for, the actual payment or distribution will reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or less being rounded down.

4. Undeliverable Distributions

(a) Holding of Certain Undeliverable Distributions

If the distribution to any Holder of an Allowed Claim or Equity Interest is returned to the Distribution Agent as undeliverable or is otherwise unclaimed, no further distributions shall be made to such Holder unless and until the Distribution Agent is notified in writing of such Holder's then current address, at which time all currently due missed distributions shall be made to such Holder on the next Subsequent Distribution Date. Undeliverable distributions shall remain in the possession of the Distribution Agent, subject to Article VII.D.4(b) hereof, until such time as any such distributions become deliverable. Undeliverable distributions shall not be entitled to any additional interest, dividends or other accruals of any kind on account of their distribution being undeliverable.

(b) Failure to Claim Undeliverable Distributions

Any Holder of an Allowed Claim or Equity Interest (or any successor or assignee or other Person or Entity claiming by, through, or on behalf of, such Holder) that does not assert a right pursuant to this Plan for an undeliverable or unclaimed distribution within one (1) year after the later of the Effective Date or the date such distribution is due shall be deemed to have forfeited its rights for such undeliverable or unclaimed distribution and shall be forever barred and enjoined from asserting any such rights for an undeliverable or unclaimed distribution against the Debtors, their Estates or their property. In such cases, any Cash for distribution on account of such rights for undeliverable or unclaimed distributions shall become the property of the Estates free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Nothing contained in this Plan shall require the Debtors or any Distribution Agent to attempt to locate any Holder of an Allowed Claim or Equity Interest.

(c) Failure to Present Checks

Checks issued by the Distribution Agent on account of Allowed Claims shall be null and void if not negotiated within one hundred and eighty (180) days after the issuance of such check. Requests for reissuance of any check shall be made directly to the Distribution Agent by the Holder of the relevant Allowed Claim or Equity Interest with respect to which such check originally was issued. Any Holder of an Allowed Claim or Equity Interest holding an un-negotiated check that does not request reissuance of such un-negotiated check within one hundred eighty (180) days after the date of mailing or other delivery of such check shall have its Claim or Equity Interest for such un-negotiated check discharged and be discharged and forever barred, estopped and enjoined from asserting any such Claim or Equity Interest against the Debtors, the Debtors' Estates or their property.

E. Compliance with Tax Requirements/Allocations

In connection with this Plan and all distributions hereunder, the Debtors and any Distribution Agent shall comply with all withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. The Debtors or any Distribution Agent shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements. All persons holding Claims shall be required to provide any information necessary to effect information reporting and the withholding of such taxes. Notwithstanding any other provision of this Plan to the contrary, each Holder of an Allowed Claim or Equity Interest shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding, and other tax obligations, on account of such distribution. Any Cash and Documents and/or other consideration or property to be distributed pursuant to this Plan shall, pending the implementation of such arrangements, be treated as an undeliverable distribution pursuant to Article VII.D.4 of this Plan. To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such distribution shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts.

F. Means of Cash Payment

Payments of Cash made pursuant to this Plan shall be in U.S. dollars and shall be made, at the option and in the sole discretion of the Debtors, by (a) checks drawn on, or (b) wire transfer from, a domestic bank selected by the Debtors. Cash payments to foreign creditors may be made, at the option of the Debtors, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

G. Timing and Calculation of Amounts to Be Distributed

On the Initial Distribution Date (or if a Claim or Equity Interest is not an Allowed Claim or Equity Interest on the Effective Date, on the Subsequent Distribution Date occurring after such Claim becomes an Allowed Claim or Equity Interest, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Equity Interest shall receive the full amount of the distributions that this Plan provides for Allowed Claims or Equity Interests in the applicable Class. If and to the extent that there are Disputed Claims or Equity Interests, distributions on account of any such Disputed Claims or Equity Interests shall be made pursuant to the provisions set forth in the applicable class treatment or in Article VIII hereof. Except as otherwise provided herein, Holders of Claims and Equity Interests shall not be entitled to interest, dividends or accruals on the distributions provided for herein, regardless of whether such distributions are delivered on or at any time after the Effective Date.

H. Setoffs and Recoupments

Without altering or limiting any of the rights and remedies of the Debtors or any other party in interest under Section 502(d) of the Bankruptcy Code, all of which rights and remedies are hereby reserved, the Debtors may, but shall not be required to, withhold (but not setoff except as set forth below) from the distributions called for hereunder on account of any Allowed Claim an amount equal to any claims, Causes of Action and Litigation Claims of any nature that the Debtors may hold against the Holder of any such Allowed Claim. In the event that any such claims, Causes of Action or Litigation Claims are adjudicated by Final Order or otherwise resolved against the applicable Holder, the Debtors may, pursuant to Section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off or exercise recoupment against any Allowed Claim and the distributions to be made pursuant hereto on account of such Allowed Claim (before any distribution is made on account of such Allowed Claim), the amount of such adjudicated or resolved claims, Causes of Action or Litigation Claims. Neither the failure to effect such a setoff or exercise recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors of any such claims, Causes of Action or Litigation Claims.

I. Preservation of Subordination Rights

Except as otherwise provided herein, all subordination rights and claims relating to the subordination by the Debtors or either Plan Administrator of any Allowed Claim shall remain valid, enforceable and unimpaired in accordance with Section 510 of the Bankruptcy Code or otherwise.

ARTICLE VIII.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED AND DISPUTED CLAIMS AND EQUITY INTERESTS

A. Authority to Prosecute Objections to Disputed Claims

Upon the Effective Date, the Plan Administrator shall be responsible for pursuing any objection to the allowance of all Disputed Claims and Equity Interests with respect to which an objection has been filed with the Bankruptcy Court and notice thereof has been given to the Holder of the Disputed Claim. Prior to the Effective Date, the Debtors shall have the right to object to the allowance of Claims with respect to which they dispute liability or allowance in whole or in part. The Plan Administrator shall have the authority to file, settle, compromise or withdraw any objections to Disputed Claims against Debtors without approval of the Bankruptcy Court. However, the Bankruptcy Court may approve any compromises and settlements in accordance with Bankruptcy Rule 9019.

B. Resolution of Disputed Claims and Equity Interests

1. Allowance of Claims and Equity Interests

After the Effective Date, the Plan Administrator shall have and shall retain any and all rights and defenses that the Debtors had with respect to any Claim or Equity Interest, except with respect to any Claim or Equity Interest deemed Allowed under this Plan. Except as expressly provided in this Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including, without limitation, the Confirmation Order), no Claim or Equity Interest shall become an Allowed Claim unless and until such Claim or Equity Interest is deemed Allowed under this Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including, without limitation, the Confirmation Order, in the Chapter 11 Cases allowing such Claim or Equity Interest.

2. Prosecution of Objections to Claims and Equity Interests

After the Confirmation Date but before the Effective Date, the Debtors, and after the Effective Date, the Plan Administrator, shall have the exclusive authority to File objections to Claims and settle, compromise, withdraw or litigate to judgment objections to any and all Claims, regardless of whether such Claims or Equity Interests are in an Unimpaired Class or otherwise; provided, however, this provision shall not apply to Professional Fee Claims; and provided further that (a) the Successful Bidder may object to the allowance of any Administrative Claim against SCI or any of the Other Opco Debtors, and (b) the Mortgage Lenders may object to the allowance of any Administrative Claim against Propco or any of the Mezzco Debtors. Subject to the foregoing, from and after the Effective Date, the Plan Administrator may settle or compromise any Disputed Claim or Equity Interest without any further notice to or action, order or approval of the Bankruptcy Court. The Plan Administrator shall have the sole authority to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order or approval of the Bankruptcy Court.

3. Estimation

After the Confirmation Date but before the Effective Date, the Debtors, and after the Effective Date, the Plan Administrator may, at any time, request that the Bankruptcy Court estimate (a) any Disputed Claim or Equity Interest pursuant to applicable law and (b) any contingent or unliquidated Claim or Equity Interest pursuant to applicable law, including, without limitation, Section 502(c) of the Bankruptcy Code, and the Bankruptcy Court shall retain jurisdiction under 28 U.S.C. §§ 157 and 1334 to estimate any Disputed Claim or Equity Interest, contingent Claim or Equity Interest or unliquidated Claim or Equity Interest, including during the litigation concerning any objection to any Claim or Equity Interest or during the pendency of any appeal relating to any such objection. All of the aforementioned Claim or Equity Interests and objection, estimation and resolution procedures are cumulative and not exclusive of one another. Claim or Equity Interests may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court. The rights and objections of all parties are reserved in connection with any such estimation proceeding.

4. Deadline to File Objections to Claims and Equity Interests

Any objections to Claims and Equity Interests shall be Filed no later than the Claims Objection Bar Date. Moreover, notwithstanding the expiration of the Claims Objection Bar Date, the Debtors, and, after the Effective Date, the Plan Administrator, shall continue to have the right to amend any claims objections and to file and prosecute supplemental objections and counterclaims to a Disputed Claim or Equity Interest until such Disputed Claim or Equity Interest is Allowed.

C. No Distributions Pending Allowance

Notwithstanding any other provision of this Plan to the contrary, no payments or distributions of any kind or nature shall be made with respect to all or any portion of a Disputed Claim or Equity Interest unless and until all objections to such Disputed Claim or Equity Interest have been settled or withdrawn or have been determined by Final Order, and the Disputed Claim or Equity Interest has become an Allowed Claim or Equity Interest.

D. Reserves for Disputed Claims

To the extent necessary or appropriate for Classes entitled to receive distributions hereunder, each Debtor may separately maintain a reserve for any distributable amounts required to be set aside on account of Disputed Claims and shall distribute such amounts (net of any expenses, including any taxes relating thereto), as provided herein as, when and if such Disputed Claims are resolved by Final Order, and such amounts shall be distributable in respect of such Disputed Claims as such amounts would have been distributable had the Disputed Claims been Allowed Claims as of the Effective Date, provided that no interest shall be distributable or accrue with respect thereto. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of this Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order will constitute a judicial determination and will provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

**FINDINGS OF FACT AND
 CONCLUSIONS OF LAW
 REGARDING CONFIRMATION OF
 "FIRST AMENDED JOINT CHAPTER 11
 PLAN OF REORGANIZATION FOR
 STATION CASINOS, INC. AND ITS
 AFFILIATED DEBTORS (DATED JULY
 28, 2010)"**

1 **I. INTRODUCTION.**

2 1. On July 28, 2010, Station Casinos, Inc. (“SCI”) and the other above-captioned
 3 debtors and debtors in possession (but excluding GV Ranch Station, Inc.¹) (collectively, the
 4 “Debtors”) filed their “First Amended Joint Chapter 11 Plan of Reorganization for Station
 5 Casinos, Inc. and its Affiliated Debtors (Dated July 28, 2010)” (docket no. 1863) (the “Plan”).
 6 Also on July 28, 2010, the Debtors filed their “Disclosure Statement to Accompany First
 7 Amended Joint Chapter 11 Plan of Reorganization for Station Casinos, Inc. and its Affiliated
 8 Debtors (Dated July 28, 2010)” (docket no. 1864) (the “Disclosure Statement”).

9 2. On July 29, 2010, the Court entered the “Amended Order (A) Approving
 10 Disclosure Statement, (B) Establishing Voting Record Date, Voting Deadline and Other Dates,
 11 (C) Approving Procedures for Soliciting, Receiving and Tabulating Votes on Plan and for Filing
 12 Objections to Plan, (D) Setting Confirmation Hearing and Related Deadlines and (E) Approving
 13 Forms of Notices and Ballots” (docket no. 1868) (the “Disclosure Statement Order”).

14 3. On August 11, 2010, the Debtors filed and served the Plan Supplement² (docket
 15 no. 1914), which included drafts of the following Restructuring Transactions (defined below)
 16 related documents: New FG Management Agreement (Propco); New Opco Credit Agreement;
 17 New Opco PIK Credit Agreement; New Opco Asset Purchase Agreement; New Propco Credit
 18 Agreement; New Propco Limited Liability Company Agreement; Opco Lender Support
 19 Agreement; Propco Lender Support Agreement; Second Amended Master Lease Compromise
 20 Agreement; Put Parties Support Agreement; and the Committee Plan Support Stipulation
 21 (collectively the “Restructuring Transactions Related Documents”). On August 13, 2010, the
 22 Debtors filed and served the Second Plan Supplement (docket no. 1935), which included a copy
 23 of the following Restructuring Transactions Related Document: the New FG Management
 24 Agreement (Opco).

26 ¹ GV Ranch Station, Inc. is a debtor in these jointly administered cases, but it is not a proponent of the
 27 Plan and its estate is not the subject of the Plan.

28 ² Unless otherwise specified, capitalized terms and phrases used herein have the meanings assigned to
 them in the Plan or Disclosure Statement, as applicable. The rules of interpretation set forth in Article I.A.
 of the Plan shall apply to these Findings of Fact and Conclusions of Law.

1 4. Among other things, the documents in the Plan Supplement disclosed that the
2 parties intended to modify the \$430 million term loan New Opco Credit Agreement by
3 incorporating into it the \$25 million loan that was intended to be an obligation under the New
4 Opco PIK Credit Agreement, and make that \$25 million loan an additional term loan tranche
5 under the New Opco Credit Agreement (the “PIK Credit Agreement Rollup”).

6 5. On August 13, 2010, the Court entered its order (docket no. 1932) approving, and
7 authorizing the Debtors to distribute a Supplement to the Disclosure Statement (the “Disclosure
8 Statement Supplement”), which the Debtors then distributed to Holders of Claims and Equity
9 Interests and other parties in interest that had previously been served with the Disclosure
10 Statement. Included with the Disclosure Statement Supplement were financial projections for
11 New Opco, a copy of the Nave Report (defined and discussed below), and the Put Party
12 Commitment Agreement.

13 6. In connection with the Confirmation Hearing, the Debtors filed three motions to
14 approve stipulations with key constituencies. Specifically, the Debtors filed: (a) “Debtors’
15 Motion for Order Approving Stipulation Between Debtors and the Shareholders of Station
16 Casinos, Inc. Regarding Preservation of the Value of the Debtors’ Net Operating Losses (docket
17 no. 1922); (b) Debtors’ Motion for Order: (1) Approving Stipulation with Official Committee Of
18 Unsecured Creditors; and (2) Authorizing Payment of Certain Related Fees and Expenses
19 (docket no. 1921); and (c) Debtors’ Motion For Order Approving Global Settlement With
20 Independent Lender Group (docket no. 1965) (collectively the “Plan Support Motions”).

21 7. On August 23, 2010, the Debtors filed their “Debtors’ Motion for Order Under 11
22 U.S.C. § 1127 Approving Modifications to ‘First Amended Joint Chapter 11 Plan of
23 Reorganization for Station Casinos, Inc. and its Affiliated Debtors (Dated July 28, 2010)’”
24 (docket no. 1997, the “Plan Modifications Motion”). On August 26, 2010, the Debtors filed an
25 amendment to the Stalking Horse APA (docket no. 2031, the “APA Amendment”).

26 8. On August 16, 2010, declarations of service of the Solicitation Package in
27 accordance with the requirements of the Disclosure Statement Order were filed with the Court
28

1 (docket no. 1944). On August 25, 2010, the report of the Voting Agent was filed with the Court,
2 reporting that all Voting Classes, without exception, voted to accept the Plan (docket no. 2007).

3 9. On August 24, 2010, the Debtors filed their “Notice of Submission of Stipulations
4 Between Debtors and Landlords Consenting to the Extension of Deadline to Assume or Reject
5 Leases” (docket no. 1997, the “Lease Stipulations”). Pursuant to the Lease Stipulations, the
6 applicable lessors agreed to extend to the Effective Date the Debtors’ deadline to assume, assign
7 or reject the underlying real property leases (with the exception of the Wild Wild West Tiberti
8 lease, as to which the subject landlord agreed to extend the deadline to the earlier of Sept. 30,
9 2010 or the date that the non-debtor lessee breaches the lease).

10 10. No objections to confirmation of the Plan, or any other objections to the terms of
11 the Plan, were filed by any Holder of Claims or Equity Interests or any other party in interest by
12 the deadline established in the Disclosure Statement Order, or otherwise. On August 20, 2010,
13 the Debtors filed their Memorandum of Law in support of confirmation of the Plan (docket no.
14 1984). In support of the Memorandum of Law the Debtors filed the Declaration of Richard
15 Haskins, Executive Vice President, General Counsel and Secretary of SCI (docket no. 1986), and
16 the Declaration of Daniel Aronson, Managing Director of Lazard Frères & Co. LLC (“Lazard”)
17 (docket no. 1985, the “Aronson Declaration”).

18 11. A hearing pursuant to Sections 1127, 1128 and 1129 of the Bankruptcy Code and
19 Federal Rules of Bankruptcy Procedure 2002, 3017, 3018, 3019(a), 3020(b) through (e) and
20 7052 to consider confirmation of the Plan was held on August 27, 2010 (the “Confirmation
21 Hearing”).

22 12. The Court has considered all of the papers filed in support of confirmation of the
23 Plan, including supporting declarations, and the testimony presented and evidence admitted at
24 the Confirmation Hearing. In connection therewith, the Court takes judicial notice of all of the
25 papers and pleadings filed by the supporters and opponents of the Plan during the course of the
26 proceedings leading to the Confirmation Hearing. The Court has entered a separate order
27 confirming the Plan (the “Confirmation Order”), and makes the following Findings of Fact and
28 Conclusions of Law in connection therewith.

13. These Findings of Fact and Conclusions of Law refer to, in summary fashion, numerous provisions of the Plan. All such descriptions are qualified by the express terms of the Plan, which Plan terms control unless expressly modified in the Confirmation Order. In addition, the failure to specifically include or discuss any particular provision of the Plan in these Findings of Fact and Conclusions of Law shall not diminish the effectiveness of any such provision, it being the intent of the Court that the Plan shall be confirmed in its entirety, and the Plan is incorporated herein in its entirety by this reference.

14. Any finding of fact shall constitute a finding of fact even if it is stated as a conclusion of law, and any conclusion of law shall constitute a conclusion of law even if it is stated as a finding of fact. These written Findings of Fact and Conclusions of Law shall also include any oral findings of fact and conclusions of law made by the Court during or at the conclusion of the Confirmation Hearing in accordance with Bankruptcy Rule 7052, made applicable to these proceedings by Bankruptcy Rule 9014.

II. FINDINGS OF FACT.

A. JURISDICTION AND VENUE.

15. On July 28, 2009 (the "Petition Date"), the Debtors commenced their respective Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors were and are qualified to be debtors under Section 109(a) of the Bankruptcy Code. Each of the Debtors has its principal place of business and principal assets in Nevada.

B. COMPLIANCE WITH THE REQUIREMENTS OF SECTION 1129 OF THE BANKRUPTCY CODE.

1. Section 1129(a)(1)³ – Compliance of the Plan with Applicable Provisions of the Bankruptcy Code.

16. The Plan complies with all applicable provisions of the Bankruptcy Code, as required by Section 1129(a)(1) of the Bankruptcy Code, including Sections 1122 and 1123 of the Bankruptcy Code.

³ Unless otherwise specified, all "Section" references are to chapter 11 of Title 11 of the U.S. Code, the "Bankruptcy Code."

a. Sections 1122 and 1123(a)(1)-(4) – Classification and Treatment of Claims and Equity Interests.

17. In accordance with the requirements of Sections 1122(a) and 1123(a)(1) of the Bankruptcy Code, Article III of the Plan designates Classes of Claims and Equity Interests, other than Administrative Claims and Priority Tax Claims.⁴ In accordance with the requirements of Section 1122(a), each Class of Claims and Equity Interests contains only Claims or Equity Interests that are substantially similar to the other Claims or Equity Interests within that Class. The Plan designates sixty Classes of Claims and eighteen Classes of Interests. Such classification is proper under Section 1122(a) of the Bankruptcy Code because such Claims and Equity Interests have differing rights among each other and against the Debtors' assets or differing interests in the Debtors. Valid business, factual and legal reasons exist for classifying the various Classes of Claims and Equity Interests in the manner set forth in the Plan.

18. In accordance with the requirements of Sections 1123(a)(2) and 1123(a)(3) of the Bankruptcy Code, Article III of the Plan specifies all Classes of Claims and Equity Interests that are not impaired under the Plan and specifies the treatment of all Classes of Claims and Equity Interests that are impaired under the Plan. Consistent with Section 1123(a)(4) of the Bankruptcy Code, Article III of the Plan also provides the same treatment for each Claim or Interest within a particular Class, unless the Holder of a Claim or Interest agrees to less favorable treatment of its Claim or Interest.

b. Section 1123(a)(5) – Adequate Means for Implementation of the Plan.

19. Article V and certain other of the provisions of the Plan contain the principal means for the Plan's implementation. Those provisions relate to, among other things: (a) the formation of the New Opco entities and New Propco entities; (b) the transfer of the Master Lease Collateral to Propco; (c) the transfer of the Landco Assets; (d) the transfer of the New Propco Transferred Assets from Propco to the New Propco entities; (e) the transfer of the New Propco

⁴ Pursuant to Section 1123(a)(1) of the Bankruptcy Code, classes of Administrative Claims and Priority Tax Claims are not required to be classified.

Purchased Assets from the Opco entities to the New Propco entities; (f) the transfer of the New Opco Acquired Assets to New Opco; (g) the New Propco Rights Offering; (h) the issuance of debt under, and the entering into the New Opco Credit Agreement and the related loan and collateral documents by New Opco and its affiliates; (i) the issuance of debt under, and the entering into the New Propco Credit Agreement and the related loan and collateral documents by New Propco and its affiliates; (j) the cancellation of prepetition instruments evidencing Claims and Equity Interest; and (k) the eventual dissolution of the Debtors (the foregoing transactions, the other implementation provisions of the Plan, and all of the transactions documented in the Restructuring Transactions Related Documents, are hereinafter referred to as the “Restructuring Transactions”). The Restructuring Transactions carry out several of the methods for implementing a chapter 11 plan expressly provided for in Section 1123(a)(5): Section 1123(A)(5)(B) (transfer of all or any part of the property of the estate to one or more entities); Section 1123(a)(5)(D) (sale of all or any part of property of the estate, and distribution of other property of the estate to the holders of interests in such property); Section 1123(a)(5)(E) (satisfaction or modification of liens); Section 1123(a)(5)(F) (cancellation of indentures and similar instruments); Section 1123(a)(5)(J) (issuance of securities by entities receiving property of the estate in exchange for claims against the Debtors).

i. The Sale of the Opco Assets

20. On June 4, 2010, this Court entered its “Order Establishing Bidding Procedures and Deadlines Relating to Sale Process for Substantially all of the Assets of Station Casinos Inc. and Certain ‘Opco’ Subsidiaries” (the “Bidding Procedures Order”) (docket no. 1563). Pursuant to the Bidding Procedures Order, the Court, among other things, (a) authorized the Debtors to conduct a process for the marketing and sale of substantially all of the Debtors’ Opco business and certain related assets (the “Opco Assets”, which comprise the New Opco Acquired Assets and the New Propco Purchased Assets under the Plan), conduct an auction and select the successful bid, and (b) deemed the Stalking Horse Bidder to be a Qualified Bidder.

21. In accordance with the Bidding Procedures Order, notice of the Opco Auction and Bidding Procedures was transmitted to: (a) the Office of the United States Trustee; (b) the

1 Official Committee of Unsecured Creditors (the “Official Creditors Committee”); (c) the Nevada
 2 Gaming Commission; (d) all (i) creditors of the Debtors as defined in Section 101(1) of the
 3 Bankruptcy Code; (ii) entities known to the Debtors to possess and/or exercise any control over
 4 any of the Opco Assets; (iii) entities known to the Debtors to assert any rights in any of the Opco
 5 Assets; (iv) parties in interest and other entities and persons so entitled and known to the
 6 Debtors; (v) non-Debtor parties to the Assumed Contracts⁵; (vi) other entities that Debtors
 7 believe may have a claim against any of the Debtors; (vii) applicable federal, state and local tax
 8 authorities with jurisdiction over the Debtors or the Opco Assets, including the Internal Revenue
 9 Service; (viii) federal, state and local environmental authorities in jurisdictions in which the
 10 Debtors operate and/or in which the Opco Assets are located; and (ix) entities that requested
 11 notice in the Debtors’ Chapter 11 Cases; (e) the Securities and Exchange Commission; and
 12 (f) any known party which has expressed a bona fide interest in writing to the Debtors regarding
 13 any purchase of the Opco Assets.

14 22. Pursuant to the “Order, Pursuant to 11 U.S.C. §§ 327(a) and 328(a), and Fed. R.
 15 Bankr. P. 2014, Authorizing Employment and Retention of Lazard Freres & Co. LLC as
 16 Financial Advisor and Investment Banker for the Debtors,” entered on September 18, 2009
 17 (docket no. 326), the Court authorized the Debtors to utilize the services of Lazard to market for
 18 sale the New Opco Acquired Assets.

19 23. The marketing of the New Opco Acquired Assets took place over a several month
 20 period. Notice of the Auction and the Bidding Procedures Order was published in the Las Vegas
 21 Review-Journal, the Wall St. Journal, and the Financial Times. Lazard contacted seventy nine
 22 potential bidders, and received expressions of interest from thirty nine potential bidders; and
 23 twenty six potential bidders signed confidentiality agreements and received a package of
 24 preliminary due diligence information. Of those initial twenty six parties conducting due
 25 diligence, eight signed Letters of Intent that entitled them to additional, more comprehensive due
 26 diligence. *See* “Status Report of Dr. James E. Nave, Independent Director, Regarding
 27

28 ⁵ “Assumed Contracts” means the contracts and leases to be assumed by the Debtors and assigned to the transferees of the New Opco Acquired Assets and New Propco Acquired Assets.

1 Compliance with Auction Procedures Procedures and Resulting Bids with Respect to the Order
2 Establishing Bidding Procedures and Deadlines Relating to Sale Process for Substantially All of
3 the Assets of Station Casinos, Inc. and Certain ‘Opco’ Subsidiaries,” filed August 5, 2010
4 (docket no. 1885) (the “Nave Report”), at ¶¶ 3-6.

5 24. Dr. Nave was the independent director of SCI tasked with overseeing the Sale
6 Process. The Opco Debtors, under the direction of Dr. Nave and in consultation with the
7 Consultation Parties, determined that six of the Letter of Intent signatories satisfied the
8 requirements to be Qualified Bidders (not including the Stalking Horse Bidder).⁶ However, by
9 the July 30, 2010 deadline under the Bidding Procedures for receipt of Qualified Bids, the
10 Debtors had received only one Qualified Bid, that of the Stalking Horse Bidder. As a result,
11 there was no Opco Auction. Nave Report at ¶¶ 7-10.

12 25. Daniel Aronson, a Managing Director at Lazard, filed a Declaration in support of
13 the Nave Report (docket no. 1886) (the “Aronson Sale Process Report”). Aronson has worked as
14 restructuring professional for twenty two years, and has headed up Lazard’s efforts as financial
15 advisor and investment banker for the Debtors. In addition to confirming the facts in the Nave
16 Report, Aronson noted that the process of the selection of the Stalking Horse Bid resulted in an
17 increase of more than \$135 million in the proposed purchase price. Aronson Sale Process Report
18 at ¶ 9.

19 26. Aronson reported that Lazard’s efforts were especially focused on ensuring a
20 level playing field for all bidders, including in particular potential bidder Boyd Gaming. He
21 opined that the Bidding Procedures approved by the Court provided an open and level playing
22 field for all potential bidders, and the Sale Process provided fair and open access to all
23 reasonable due diligence materials. He noted that, following Court approval of the Bidding
24 Procedures, no bidder voiced any complaint about the Bidding Procedures, or that the Debtors
25 should deviate from or modify the Bidding Procedures. He concluded that the Stalking Horse

27 ⁶ The Consultation Parties were the Administrative Agent under the Prepetition Opco Credit Agreement,
28 the steering committee of lenders under the Prepetition Opco Credit Agreement and the Official Creditors
Committee. See Aronson Sale Process Report, *infra*, at p.4, fn. 2.

1 Bid is the highest and best bid for the Opco Assets to date. Aronson Sale Process Report at ¶¶
2 15-19.

3 27. At a hearing on August 6, 2010, the date for which the Auction had been
4 scheduled, the Court determined that the Stalking Horse Bid was the prevailing bid, and that the
5 purchaser would be the Stalking Horse Bidder FG Opco Acquisitions LLC (together with any of
6 its assignees permitted under the Stalking Horse APA, "Acquisitions LLC"), an entity that is a
7 subsidiary of New Propco (Acquisitions LLC and its controlled Affiliates, IP Holdco, New
8 Propco and the other New Propco affiliates receiving the New Opco Acquired Assets and the
9 New Propco Acquired Assets, collectively, the "Purchaser"). On August 9, 2010, the Court
10 entered its "Order Closing Auction and Designating Successful Bid With Respect to Order
11 Establishing Bidding Procedures and Deadlines Related to Sale Process For Substantially All of
12 the Assets of Station Casinos, Inc. and Certain 'Opco' Subsidiaries" (docket no. 1909), in which
13 it designated Purchaser as the Successful Bidder. In connection with confirmation of the Plan,
14 the Debtors sought approval of the sale of the Opco Assets to Purchaser, free and clear⁷ of all
15 Liens, Claims, Equity Interests and any Liabilities (as defined in the Stalking Horse APA) arising
16 or resulting from or related to the transactions contemplated by the Stalking Horse APA or by the
17 363 Sale Orders (as defined in the Stalking Horse APA) (such liabilities, "Other Liabilities") in
18 accordance with the terms and conditions of the Stalking Horse APA and pursuant to Sections
19 363, 365, 1123, 1129 and 1141 of the Bankruptcy Code.

20 28. Notice of the Bidding Procedures Order and the Sale Hearing, and of the Debtors'
21 intent to seek approval and authorization of the Stalking Horse APA and of the Restructuring
22 Transactions, and to assume and assign the Assumed Contracts, was proper, timely, adequate and
23 sufficient notice under the circumstances of these Chapter 11 Cases and complied with the
24 various applicable requirements of the Bankruptcy Code and the Bankruptcy Rules; and a
25 reasonable opportunity to object and be heard with respect to the relief requested by the Debtors
26

27 ⁷ All references in these Findings of Fact and Conclusions of Law to transfers of property free and clear
28 of Liens, Claims, Equity Interests, Other Liabilities or other interests (or any combination of any of the
foregoing), shall mean free and clear except as otherwise expressly provided in writing in the applicable
transfer documents with respect to assumed liabilities and permitted exceptions.

1 was afforded to all interested parties. Based upon the record of the Chapter 11 Cases and the
2 Sale Process, all Holders of Claims and Equity Interests, and all other parties-in-interest and
3 prospective purchasers were afforded a reasonable and fair opportunity to bid for the New Opco
4 Acquired Assets.

5 29. The Debtors have articulated good and sufficient business reasons justifying the
6 approval of the Stalking Horse APA and the Restructuring Transactions. Such business reasons
7 include, but are not limited to, the following: (i) the Stalking Horse APA constitutes the highest
8 and best offer for the Opco Assets; and (ii) the Stalking Horse APA and the closing thereon will
9 present the best opportunity to realize the value of the Opco Assets and avoid the possible
10 decline and devaluation of such assets in a protracted chapter 11 process. The Debtors' entry
11 into the Stalking Horse APA and consummation of the Restructuring Transactions constitute the
12 Debtors' exercise of sound business judgment and the sale contemplated by the Stalking Horse
13 APA is in the best interests of the Debtors, their estates and creditors and all other parties in
14 interest, and is supported by each of the Debtors' key creditor constituencies.

15 30. The purchase price provided by Purchaser for the Opco Assets is the highest and
16 best offer received by the Debtors, and the purchase price constitutes
17 (a) reasonably equivalent value under the Bankruptcy Code and Uniform Fraudulent Transfer
18 Act, (b) fair consideration under the Uniform Fraudulent Conveyance Act, and (c) reasonably
19 equivalent value, fair consideration and fair value under any other applicable laws of the United
20 States, any state, territory or possession, or the District of Columbia ((a), (b) and (c)
21 collectively, "Value"), for the Opco Assets.

22 31. Purchaser would not have entered into the Stalking Horse APA and would not
23 consummate the Restructuring Transactions, thus adversely affecting the Debtors, their estates,
24 and their creditors, if the transfer to Purchaser of the Opco Assets, including without limitation
25 the Assumed Contracts, was not free and clear of all Liens, Claims, Equity Interests and Other
26 Liabilities, or if Purchaser or any of their Related Persons would, or in the future could, be liable
27 for any such Liens, Claims, Equity Interests and Other Liabilities, or if Purchaser or any of their
28 Related Persons would otherwise be subject to any liability with respect to the operation of the

1 Debtors' businesses on or prior to the Effective Date. Accordingly, a sale of the Opco Assets
2 other than one free and clear of Liens, Claims, Equity Interests and Other Liabilities would
3 impact materially and adversely the Debtors' estates, and would yield substantially less value for
4 the Debtors' estates, with less certainty than the sale pursuant to the Stalking Horse APA. In
5 reaching this determination, the Court has taken into account both the consideration to be
6 realized directly by the Debtors and their creditors, and the indirect benefits of the Restructuring
7 Transactions for the Debtors' employees, the Debtors' vendors and suppliers and the public
8 interest served, directly and indirectly, by the preservation of the value of the Opco Assets
9 resulting from the transfer of such assets to the Purchaser.

10 32. There was no evidence of insider influence or improper conduct by any of the
11 Purchaser or their Related Persons, or by any other party in interest, in connection with the
12 negotiation of the Stalking Horse APA with the Debtors, in connection with the marketing of the
13 New Opco Acquired Assets, or otherwise in connection with the Sale Process. The Debtors
14 established a due diligence room in which the information provided to the Purchaser in
15 connection with the negotiation of the Stalking Horse APA was also provided to other potential
16 bidders for the New Opco Acquired Assets. There was also no evidence of fraud or collusion
17 among the Purchaser, their Related Persons and any other bidders for the Debtors' assets, or
18 collusion between the Debtors and the Purchaser or their respective Related Persons to the
19 detriment of any other bidders, the Sale Process or the Debtors' estates.

20 33. The Debtors and the other Opco Group Sellers⁸ are entering into the Stalking
21 Horse APA and performing their obligations thereunder and under the other Restructuring
22 Transactions in good faith and with lawful purpose, and have the legal power and authority to
23 convey all of their right, title and interest in and to the Opco Assets to Purchaser. Each Opco
24 Group Seller has: (i) full power and authority to execute the Stalking Horse APA and all other
25 documents contemplated thereby, and the sale of the Opco Assets by the Opco Group Sellers has
26 been duly and validly authorized by all necessary company action of each Opco Group Seller;
27 (ii) the necessary power and authority to perform its obligations under the Restructuring

28 ⁸ The Opco Group Sellers are defined in the Plan as the sellers under the Stalking Horse APA.

1 Transactions contemplated by the Plan; and (iii) taken all company action necessary to authorize,
2 approve and enter into the Stalking Horse APA and consummate the Restructuring Transactions
3 contemplated by the Plan. No consents or approvals or further actions, other than those
4 expressly required by the terms of the Stalking Horse APA or in the Schedules thereto (including
5 the Nevada Gaming Commission consent), are required for the Opco Group Sellers to close the
6 sale and consummate the Restructuring Transactions.

7 34. No brokers were involved in consummating the sale or the Restructuring
8 Transactions, and no brokers' commissions are due to any person or entity in connection with the
9 sale or the Restructuring Transactions.

10 c. **Section 1123(a)(6) – Prohibition Against the**
11 **Issuance of Nonvoting Equity Securities and Adequate**
Provisions for Voting Power of Classes of Securities.

12 35. The Plan complies with the requirements of Section 1123(a)(6) because the
13 Debtors are not issuing any equity securities. Rather the Debtors will be dissolved as soon as
14 reasonably practical.

15 d. **Section 1123(a)(7) – Selection of Directors and**
16 **Officers in a Manner Consistent with the Interests of**
Creditors and Equity Security Holders and Public Policy.

17 36. The Plan complies with the requirements of Section 1123(a)(7) because, under the
18 Plan, on the Effective Date, all current boards of directors of the Debtors will be dissolved and
19 all current officers will be dismissed. In their place, a Plan Administrator will be appointed prior
20 to the Effective Date. The Plan requires that the appointment of the Plan Administrator shall be
21 subject to prior Court approval. As a result, the Plan contains no provisions with respect to the
22 manner of selection of new officers and directors that is inconsistent with public policy or the
23 interests of Holders of Claim and Equity Interests.

24 e. **Section 1123(b)(1)-(2) – Impairment of Claims and Equity**
25 **Interests and Assumption, Assumption and Assignment or**
Rejection of Executory Contracts and Unexpired Leases.

26 37. In accordance with the requirements of Section 1123(b)(1) of the Bankruptcy
27 Code, Article III of the Plan impairs or leaves unimpaired, as the case may be, each Class of
28 Claims and Equity Interests. Consistent with 1123(b)(2) of the Bankruptcy Code, Article VI of

1 the Plan provides for the assumption by the Debtors and assignment to the applicable transferee
 2 on the Effective Date of certain designated Executory Contracts and Unexpired Leases, and the
 3 rejection of all other Executory Contracts and Unexpired Leases, in all cases in accordance with,
 4 and subject to the provisions and requirements of Sections 365 and 1123 of the Bankruptcy
 5 Code. Accordingly, the Plan satisfies the requirements of section 1123(b)(2) of the Bankruptcy
 6 Code.

7 **f. Section 1123(b)(3) – Retention, Enforcement**
 8 **and Settlement of Claims Held by the Debtors.**

9 38. As authorized by Section 1123(b)(3), (i) Article X.E. of the Plan provides for the
 10 retention by the Debtors of Causes of Action and Litigation Claims not expressly released or
 11 settled under the Plan, and (ii) Articles X.B. and X.C. of the Plan provide for certain settlements
 12 and releases, as discussed in more detail below.

13 **g. Section 1123(b)(4) – Sale of Assets of the Estate.**

14 39. The Plan does not provide for a sale of substantially all of the assets. However, as
 15 discussed above, the New Opco Acquired Assets were marketed and will be sold to Purchaser
 16 pursuant to the Plan.

17 **h. Section 1123(b)(5) – Modification of**
 18 **the Rights of Holders of Claims.**

19 40. In accordance with the requirements of Section 1123(b)(5), Article III of the Plan
 20 modifies, or leaves unaffected, as the case may be, the rights of holders of each Class of Claims.
 21 Some Classes of Claims receive nothing under the Plan. Some Classes of Claims receive cash
 22 and new notes issued by Purchaser. Some Classes of Claims receive real and personal property.
 23 Some Classes of Claims receive equity interests in certain of the Mezzco Debtors. Some Classes
 24 of Claims receive the NPH Warrants, NPH Investment Rights and the NPH Post-Effective
 25 Investment Rights. Some Classes of Claims are unimpaired.

26 \ \ \

1 **i. Section 1123(b)(6) – Other Provisions Not Inconsistent**
2 **with Applicable Provisions of the Bankruptcy Code.**

3 41. The Plan includes additional appropriate implementation provisions that are not
4 inconsistent with applicable provisions of the Bankruptcy Code, including: (i) the provisions of
5 Article VII of the Plan governing distributions on account of Allowed Claims; (ii) the provisions
6 of Article VIII of the Plan establishing procedures for resolving Disputed Claims and making
7 distributions on account of such Disputed Claims once resolved; (iii) the provisions of Article X
8 of the Plan regarding the treatment of the provisions of the Plan as a Comprehensive Settlement,
9 releases by the Debtors, voluntary releases by Holders of Claims and Equity Interests, and
10 certain exculpation provisions.

11 **j. Section 1123(d) – Cure of Defaults.**

12 42. In accordance with the requirements of Section 1123(d), Article VI of the Plan
13 provides for the cure of defaults in respect of all executory contracts and unexpired leases that
14 are being assumed under the Plan and assigned to the applicable transferee, and requires that
15 such cure payments be made consistent with the requirements of Section 365(b) and 365(c).

16 **2. Section 1129(a)(2) – Compliance with**
17 **Applicable Provisions of the Bankruptcy Code.**

18 43. In accordance with the requirements of Section 1129(a)(2), the Debtors have
19 complied with all applicable provisions of the Bankruptcy Code, including Section 1125 and
20 1126 of the Bankruptcy Code and Bankruptcy Rules 3017 and 3018. The Court finds that
21 adequate disclosures of the current financial condition of the Debtors and their principal non-
22 Debtor subsidiaries, and of the terms and purposes of the Restructuring Transactions (including
23 the proposed dispositions of the New Opco Acquired Assets and New Propco Acquired Assets),
24 were made during the course of the Chapter 11 Cases, the Sale Process, and the solicitation of
25 acceptances of the Plan, and in connection with the Confirmation Hearing.

26 44. The Court previously determined in the Disclosure Statement Order that the
27 Disclosure Statement contained adequate information, and the Debtors provided Holders of
28 Claims and Equity interests with substantial additional disclosure materials during the period

1 between entry of the Disclosure Statement Order and the commencement of the Confirmation
2 Hearing. The procedures by which the Ballots for acceptance or rejection of the Plan were
3 solicited and tabulated were fair, properly conducted and in accordance with Sections 1125 and
4 1126 of the Bankruptcy Code, Bankruptcy Rules 3017 and 3018 and the Disclosure Statement
5 Order. The Debtors and the other Exculpated Parties, and their respective directors, officers,
6 employees, agents, members and professionals, as applicable, have acted in good faith within the
7 meaning of Section 1125(e) of the Bankruptcy Code.

8 **3. Section 1129(a)(3) – Proposal of the Plan in Good Faith.**

9 45. In accordance with the requirements of Section 1129(a)(3), the Debtors proposed
10 the Plan in good faith and not by any means forbidden by law. In determining that the Plan has
11 been proposed in good faith, the Court has examined the totality of the circumstances
12 surrounding the formulation of the Plan, including the support thereof by the Mortgage Lenders,
13 nearly all of the Opco Lenders, and the Official Creditors Committee. Based on the evidence
14 presented at the Confirmation Hearing, the Court finds and concludes that the Plan has been
15 proposed with the legitimate and honest purpose of maximizing the returns available to creditors
16 of the Debtors through the marketing and sale of the Opco Assets for the highest and best price
17 and the transfer of the New Propco Acquired Assets to the secured creditors with the senior
18 interests in such assets. Moreover, the Plan itself and the arms' length negotiations among the
19 Debtors, the Official Creditors Committee, the Opco Lenders and the Mortgage Lenders, leading
20 to the Plan's formulation and modification, and the public support of the Plan by the Official
21 Creditors Committee, provide independent evidence of the Debtors' good faith in proposing the
22 Plan.

23 **4. Section 1129(a)(4) – Bankruptcy Court**
24 **Approval of Certain Payments as Reasonable.**

25 46. In accordance with the requirements of Section 1129(a)(4), Article II.A.2. of the
26 Plan makes all payments on account of Professional Fee Claims for services rendered on or prior
27 to the Effective Date subject to the requirements of Sections 327, 328, 330, 331, 503(b) and 1103
28 of the Bankruptcy Code, as applicable, by requiring Professionals to file final fee applications

1 with the Court. The Court will review the reasonableness of such applications under Sections
2 328 and 330 of the Bankruptcy Code and any applicable case law. Article XI. of the Plan
3 provides that the Court will retain jurisdiction after the Effective Date to hear and determine all
4 applications for allowance of compensation or reimbursement of expenses authorized pursuant to
5 the Bankruptcy Code or the Plan.

6 **5. Section 1129(a)(5) – Disclosure of Post-Effective Date**
7 **Management of Debtors and Compensation of any Insiders.**

8 47. The Plan complies with the requirements of Section 1129(a)(5) because, pursuant
9 to the Plan, prior to the Effective Date, the Debtors will propose an individual to serve as the
10 Plan Administrator, and such appointment will be subject to prior Court approval. None of the
11 entities receiving estate assets under the Restructuring Transactions is a successor to any Debtor
12 or an affiliate of any Debtor participating in a joint plan with the Debtors, therefore Section
13 1129(a)(5) does not apply to the transferees of the New Opco Acquired Assets and the New
14 Propco Acquired Assets. No insider is currently proposed to be employed by the Debtors after
15 the Effective Date. If an insider of the Debtors is proposed to serve as Plan Administrator or as
16 an employee of the Plan Administrator, any compensation arrangements will be disclosed.

17 **6. Section 1129(a)(6) – Approval of Rate Changes.**

18 48. The Debtors' current businesses do not involve the establishment of rates over
19 which any regulatory commission has jurisdiction. Accordingly, Section 1129(a)(6) does not
20 apply to the Plan.

21 **7. Section 1129(a)(7) – Best Interests of Holders of Claims and Equity**
22 **Interests.**

23 49. In accordance with the requirements of Section 1129(a)(7), with respect to each
24 impaired Class of Claims or Equity Interests, each holder of a Claim or Interest in such impaired
25 Class has either (a) accepted or is deemed to have accepted the Plan or, (b) as demonstrated by
26 the Liquidation Analysis included as Exhibit C to the Disclosure Statement, will receive or retain
27 under the Plan on account of such Claim or Interest property of a value, as of the Effective Date,
28

1 that is not less than the amount such holder would receive or retain if the Debtors were liquidated
2 on the Effective Date under chapter 7 of the Bankruptcy Code.

3 50. The Court finds that the methodology used by the Debtors and their financial
4 advisors in estimating the liquidation value of the Debtors, as set forth in the Liquidation
5 Analysis, is reasonable. The Liquidation Analysis establishes that each Holder of a Claim or
6 Equity Interest that voted to reject the Plan or was deemed to reject the Plan, will receive or
7 retain under the Plan on account of such Claim or Interest property of a value, as of the Effective
8 Date, that is not less than the amount such holder would receive or retain if the Debtors were
9 liquidated on the Effective Date under chapter 7 of the Bankruptcy Code. Further, no Holder of
10 a Claim or Equity Interest objected to confirmation of the Plan on the basis that it was not
11 receiving or retaining under the Plan as much as it would receive in a chapter 7 liquidation of the
12 Debtors.

13 **8. Section 1129(a)(8) – Acceptance of the Plan by Each Impaired Class.**

14 51. As indicated in the Plan and Disclosure Statement: (a) the following are Classes
15 of Unimpaired Claims that were deemed to have accepted the Plan and were not entitled to vote
16 on the Plan – Classes P.1, S.1, NA.1, RL.1, RC.1 and TS.1; (b) the following are Classes of
17 Impaired Claims that are deemed to have rejected the Plan and were not entitled to vote on the
18 Plan – Classes FHI.2, FHI.3, FHI.4, FHI.5, FHI.6, FP.2, FP.3, FP.4, FP.5, FP.6, VC.2, VC.3,
19 VC.4, VC.5, VC.6, P.3, P.4, P.5, MP.1, MP.2, MP.3, MS.1, MS.2, MS.3, M7.1, M7.2, M7.3,
20 M6.1, M6.2, M6.3, M5.1, M5.3, M5.4, M4.2, M4.3, M4.4, M3.2, M3.3, M3.4, M2.2, M2.3,
21 M2.4, M1.2, M1.3, M1.4, S.8, S.9, NA.2, NA.3, RL.2, RL.3, RC.3, RC.4, TS.3 and TS.4; and
22 (c) the Voting Classes were Classes FHI.1, FP.1, VC.1, P.2, M5.2, M4.1, M3.1, M2.1, M1.1, S.2,
23 S.3, S.4, S.5, S.6, S.7, RC.2 and TS.2. Each of the seventeen Voting Classes, without exception,
24 voted to accept the Plan. However, the Plan does not comply with the requirement of Section
25 1129(a)(8) because certain Classes of Claims and Equity Interests were deemed to have rejected
26 the Plan. Nevertheless, the Plan is confirmable because, as determined below, the Plan satisfies
27 the cramdown requirements of Section 1129(b) of the Bankruptcy Code with respect to all non-
28 accepting Classes.

9. Section 1129(a)(9) – Treatment of Claims Entitled to Priority Pursuant to Section 507(a) of the Bankruptcy Code.

52. In accordance with the requirements of Section 1129(a)(9), the Plan provides that with respect to Administrative Claims (subject to certain consensual exceptions for DIP Facility Claims, Superpriority Claims and other adequate protection claims), on the later of the Effective Date or when an Administrative Claim becomes an Allowed Administrative Claim, the Allowed Administrative Claim shall be paid in cash in the full unpaid Allowed amount of the Claim, unless the Holder agrees to less favorable treatment.

53. In accordance with the requirements of Section 1129(a)(9), the Plan provides that the rights of the Holders of Priority Tax Claims are unaltered under the Plan. Under Section II.B. of the Plan, Holders of Priority Tax Claims will receive, at the election of the Debtors, (i) payment in full in cash of the Allowed amount of such claim, (ii) less favorable treatment if the Holder agrees, or (iii) installment payments in accordance with the requirements of Sections 1129(a)(9)(C) and (D).

54. In accordance with the requirements of Section 1129(a)(9), the Plan provides that the rights of the Holders of Other Priority Claims are unaltered under the Plan. Under Section II.B. of the Plan, Holders of Other Priority Claims will receive payment in full in cash of the Allowed amount of such Claim.

10. Section 1129(a)(10) – Acceptance by at Least One Impaired Class.

55. In accordance with the requirements of Section 1129(a)(10), as indicated in the report of the Voting Agent and as reflected in the record of the Confirmation Hearing, at least one Class of Claims or Equity Interests that is Impaired under the Plan voted to accept the Plan. Seventeen Classes of Claims voted to accept the Plan, in each case determined without including any acceptance of the Plan by any insider. They are Classes FHI.1, FP.1, VC.1, P.2, M5.2, M4.1, M3.1, M2.1, M1.1, S.2, S.3, S.4, S.5, S.6, S.7, RC.2 and TS.2.

11. Section 1129(a)(11) – Feasibility of the Plan.

56. The Plan is a liquidating Plan. The record of these Chapter 11 Cases evidences that the parties to the Restructuring Transactions have the financial wherewithal and desire to

1 close on the Restructuring Transactions, including the transfer of the New Opco Acquired Assets
2 and New Propco Acquired Assets to the applicable transferees pursuant to the Plan. Thus, the
3 liquidating Plan is feasible.

4 57. Under the Plan, part of the consideration received by the Debtors for the Opco
5 Assets and transferred to the Opco Lenders are secured notes issued by Purchaser. In addition,
6 certain unsecured creditors receive NPH Warrants, NPH Investment Rights and NPH Post-
7 Effective Investment Rights. The Debtors have filed with Court and distributed as part of the
8 Disclosure Statement (Exhibit D to the Disclosure Statement) financial projections for New
9 Propco covering calendar years 2010 through 2014. The Debtors stated in their Disclosure
10 Statement that they believe that the assumptions underlying the New Propco financial projections
11 are reasonable, and that New Propco will be able to meet its debt service obligations. Based
12 upon the New Propco financials and the discussion in the Aronson Declaration with respect
13 thereto, it appears reasonably likely that New Propco will be able to service its debt obligations
14 issued in connection with the Plan. No contrary evidence was submitted to the Court.

15 58. After service of the Solicitation Packages that included the financial projections
16 for New Propco, the Debtors filed and served the Disclosure Statement Supplement, which
17 included a set of financial projections for New Opco, covering calendar years 2011 through
18 2014. Based upon the New Opco financials and the discussion in the Aronson Declaration with
19 respect thereto, it appears reasonably likely that New Opco will be able to service its debt
20 obligations issued in connection with the Plan. No contrary evidence was submitted to the
21 Court.

22 59. Based upon the Aronson Declaration, the aggregate transaction value for the
23 acquisitions of the New Propco Acquired Assets and the New Opco Acquired Assets is
24 \$2.572 billion (based upon capitalization of \$1.8 billion for New Propco prior to the acquisition
25 of the Opco Assets, and an additional \$772 million based upon the acquisition of the Opco
26 Assets), and, after deducting the amount of debt issued by New Propco and New Opco, the
27 equity value of New Propco is \$326 million (which equity value may be adjusted based upon
28

1 actual borrowings and cash on hand on the Effective Date); and the Confirmation Order shall so
2 provide.

3 60. Under the Plan, certain general unsecured creditors will receive the NPH
4 Warrants. Lazard analyzed the value of the NPH Warrants using the traditional Black-Scholes
5 model, which, when analyzing non-dividend paying stock, is based upon an analysis of five
6 principal factors: stock price, exercise price, volatility of the common stock, term and risk free
7 rate. Applying the Black Scholes model to the NPH Warrants and an equity value of
8 \$326 million for New Propco, it was determined that the value of the NPH Warrants is between
9 \$0.4 million and \$2.3 million; and the Confirmation Order shall so provide.

10 **12. Section 1129(a)(12) – Payment of Bankruptcy Fees.**

11 61. In accordance with the requirements of Section 1129(a)(12), Article XII.B. of the
12 Plan provides that Administrative Claims for fees payable pursuant to 28 U.S.C. § 1930 will be
13 paid in Cash on the Effective Date. After the Effective Date, the Reorganized Debtors shall pay
14 all required fees pursuant to 28 U.S.C. § 1930 or any other statutory requirement and comply
15 with all statutory reporting requirements.

16 **13. Section 1129(a)(13) – Retiree Benefits.**

17 62. The Debtors are liquidating and after the Effective Date will have no obligations
18 regarding any retiree benefits of the kind referred to in Section 1114. Therefore, Section
19 1129(a)(13) does not apply to the Plan.

20 **14. Section 1129(a)(14), (15) and (16) Do Not Apply.**

21 63. Sections 1129(a)(14), (15) and (16) address domestic support obligations,
22 individual debtors, and non-moneyed businesses, and they do not apply to the Debtors.

23 **15. Section 1129(b) – Confirmation of the Plan**
24 **Over the Nonacceptance of Impaired Classes.**

25 64. Section 1129(b) of the Bankruptcy Code authorizes the Court to confirm the Plan
26 even if not all Impaired Classes have accepted the Plan (a “cramdown”), provided that such Plan
27 has been accepted by at least one impaired class and the Plan does not discriminate unfairly and
28 is fair and equitable with respect to each Impaired Class that voted to reject the Plan. Here,

1 Classes FHI.1, FP.1, VC.1, P.2, M5.2, M4.1, M3.1, M2.1, M1.1, S.2, S.3, S.4, S.5, S.6, S.7,
2 RC.2 and TS.2., each an impaired Class of Claims, voted to accept the Plan.

3 All classes of secured Claims are either unimpaired and deemed to have accepted the
4 Plan, or impaired but voted to accept the Plan. Therefore, Section 1129(b) does not apply to
5 Classes of secured Claims. In any event, the Plan expressly complies with the requirements of
6 Section 1129(b)(2)(A) with respect to all Classes of secured Claims.

7 65. The Plan is fair and equitable with respect to all non-accepting Classes of
8 Unsecured Claims because: (a) each impaired unsecured creditor receives or retains under the
9 Plan property of a value equal to the amount of its allowed Claim; or (b) the holders of any
10 Claims (or Equity Interests) that are junior to the non-accepting Class will not receive any
11 property under the Plan (the “absolute priority rule”). The Plan strictly adheres to the absolute
12 priority rule for each Debtor and nowhere does the Plan provide for distributions to the holders
13 of any Claims or Equity Interests that are junior to any non-accepting Class of Claims of the
14 subject Debtor.

15 66. The Plan is fair and equitable with respect to all non-accepting Classes of Equity
16 Interests because: (a) each holder of an Equity Interest will receive or retain under the Plan
17 property of a value equal to the greatest of the fixed liquidation preference to which such holder
18 is entitled, the fixed redemption price to which such holder is entitled, or the value of the
19 interest; or (b) the holder of an interest that is junior to the Non Accepting Class will not receive
20 or retain any property under the Plan.

21 67. The Plan does not discriminate unfairly with respect to any non-accepting Class
22 because the value of the cash and/or securities to be distributed to each Class under the Plan is
23 equal to, or otherwise fair when compared to, the value of the distributions to other Classes
24 whose legal rights are the same as those of the non-accepting Class. Exact parity is not required.
25 The Court finds that any discrepancy in treatment or potential distributions to unsecured
26 creditors is objectively small and justified based on certain inherent differences in the nature of
27 their Claims, the time that will be required to liquidate their Claims, and the relative levels of
28

1 risk that are being taken by different creditors simply based upon the time it will take to liquidate
2 their Claims. Accordingly, the Plan may be confirmed under Section 1129(b).

3 **16. Bankruptcy Rule 3016(a).**

4 68. In accordance with the requirements of Bankruptcy Rule 3016(a), the Plan is
5 dated and identifies the entities submitting the Plan.

6 **17. Section 1129(d) – Purpose of Plan.**

7 69. The primary purpose of the Plan is not avoidance of taxes or avoidance of the
8 requirements of Section 5 of the Securities Act. There has been no objection filed by any
9 Governmental Unit asserting any such avoidance. The Plan and Disclosure Statement provide
10 adequate notice to all Persons and Entities, including the Internal Revenue Service, the U.S.
11 Securities and Exchange Commission and other applicable Governmental Units, of the intent of
12 the Plan: (a) to preserve the ability of the Debtors to seek a Court determination of the tax
13 liabilities arising from the implementation of the Plan; and (b) to cause the issuance of securities
14 exempt from registration requirements under applicable state and federal securities laws.

15 **18. Issuance of Securities to Eligible Opco Unsecured Creditors.**

16 70. In connection with the Plan, Eligible Opco Unsecured Creditors (meaning
17 Holders of Allowed Claims in Classes S.4, S.5 and S.6, excluding, however, Holders of Class S.
18 4 Claims that also hold Class S.2 Claims and vote to accept the Plan on account of such Class
19 S.2 Claims), will receive on account of and in exchange for their Claims: (a) their Pro Rata Share
20 of NPH⁹ Warrants; (b) if they are Accredited Investors, their Allocated Pro Rata Share of NPH
21 Investment Rights; and (c) if they are Qualified Eligible Opco Unsecured Creditors, the NPH

24 description of the proposed UC Securities is contained in the New Propco Holdco Summary of

⁹ NPH means New Propco Holdco, and it is also sometimes referred to as Holdco.

Asset Management, LP (collectively, the “Put Parties”), the Mortgage Lenders, Fertitta Gaming, LLC, and Frank and Lorenzo Fertitta (the “Put Parties Support Agreement”). Subsequently, as part of the Disclosure Statement Supplement, the Debtors filed and served the Put Party Commitment Agreement, dated August 5, 2010, among the parties to the Support Agreement (the “Put Party Commitment Agreement”). The NPH Term Sheet, the Put Parties Support Agreement and the Put Party Commitment Agreement are hereinafter referred to as the “UC Securities Documents.”

C. SETTLEMENTS, RELEASES, EXCULPATIONS AND INJUNCTIONS.

71. The settlement, release and exculpation provisions set forth in Article X of the Plan are made in exchange for consideration, and are: (1) the result of a carefully-negotiated good-faith settlement among the Debtors and their major stakeholders; (2) meant to provide relief from future litigation and the prospect of future litigation that would have substantially derailed the Debtors’ restructuring efforts; (3) fair and necessary for successful Plan confirmation; and (4) supported by creditors holding billions of dollars in allowed undisputed secured and unsecured Claims that will be impaired under the Plan, including all of the Debtors’ key creditor constituencies. In connection with the Confirmation Hearing, no party in interest filed an objection to Article X of the Plan, which also provides for an injunction in support of the settlements, releases and exculpations contained therein.

1. Article X.B.1. of the Plan – The Comprehensive Settlement of Claims and Controversies.

72. Article X.B.1. of the Plan provides that the Plan constitutes a general comprehensive settlement (the “Comprehensive Settlement”) of all Claims, Litigation Claims, Causes of Action and controversies relating to (a) the rights that Holders of Claims or Equity Interests may have with respect to any Claim or Equity Interest against any Debtors, (b) the distributions, if any, made under the Plan on account of such Claims and Equity Interests, and (c) any Claims or Causes of Action of any party arising out of or relating to the Going Private Transaction and all transactions relating thereto (discussed in more detail below). In connection with the Confirmation Hearing, no party in interest objected to the Comprehensive Settlement.

73. The Comprehensive Settlement is a fundamental component of the overall restructuring contained in the Plan because it assures the Debtors and the Estates that the Plan and the distributions made thereunder will result in the final settlement and satisfaction of the various Claims and Equity Interests against the Debtors. The Comprehensive Settlement promotes the finality of the Plan and repose. The Court finds that the Comprehensive Settlement is in the best interests of Holders of Claims and Equity Interests, and the Debtors and their respective Estates and property, and is fair and equitable, and any distributions to be made pursuant to the Plan shall be deemed to have been made on account of the Comprehensive Settlement and in consideration thereof.

**2. Article X.B.2. of the Plan - The Global Settlement
of the Going Private Transaction Causes of Action.**

74. Article X.B.2. of the Plan provides for the compromise and settlement of all of the Going Private Transaction Causes of Action among the Debtors, the non-Debtor Affiliates of the Debtors, the Debtors Estates and any Person (the “Global Settlement”). Article X.C.1. provides for a release of the Going Private Transaction Causes of Action by the Releasing Parties, which Releasing Parties includes the Debtors, their Estates and any Holder of a Claim or Equity Interest that would have been able to assert the Going Private Transaction Causes of Action for or on behalf of the Debtors or their Estates. In connection with the Confirmation Hearing, no party in interest has objected to the Global Settlement.¹⁰

75. As defined in the Plan, and discussed in greater detail in the Disclosure Statement and various reports discussed below, the Going Private Transaction means the buy-out transaction and related financings that occurred in November of 2007, pursuant to which, among

¹⁰ On December 28, 2009, the Official Creditors Committee filed a motion seeking standing and authority to prosecute the Going Private Transaction Causes of Action (the “Standing Motion”). The Debtors, the Administrative Agent for the Opco Lenders, the Mortgage Lenders and others filed oppositions to the Standing Motion. A hearing was held on the motion but the Court deferred ruling on the motion until the hearing on approval of the Debtors’ Disclosure Statement. On July 8, 2010, the Official Creditors Committee filed a supplement to the Standing Motion. On July 16, 2010, the Court entered an order further deferring a decision on the Standing Motion and establishing August 13, 2010 as the deadline for certain parties to file response to the supplement to the Standing Motion. By the time the Court entered the Disclosure Statement Order, the Official Creditors Committee had (a) announced its support for the Plan, including the Global Settlement and the other terms of the Plan, and (b) announced that it would not be pursuing the Standing Motion.

1 other things, SCI was acquired by virtue of a merger of FCP Acquisition Sub with and into SCI,
2 with SCI continuing as the surviving corporation, and the sale-and-leaseback transaction with
3 respect to the Propco Properties was consummated. Also as defined in the Plan, the Going
4 Private Transaction Causes of Action means any and all Claims, Causes of Action, Litigation
5 Claims, Avoidance Actions and any other legal or equitable remedies against any Person arising
6 from any transaction comprising or related to the Going Private Transaction, regardless of
7 whether such Claims, Causes of Action, Litigation Claims, Avoidance Actions, or other remedies
8 may be asserted pursuant to the Bankruptcy Code or any other applicable law.

9 76. As described in the Disclosure Statement at Article II.D.3., during the course of
10 the Debtors' prepetition restructuring negotiation efforts, certain holders of the Senior Notes and
11 Subordinated Notes expressed that SCI might have fraudulent conveyance and related claims
12 against third parties that could be asserted by SCI in connection with the 2007 Going Private
13 Transaction. SCI's Board of Directors authorized the formation of an independent Special
14 Litigation Committee (the "SLC") to investigate and report to the Board regarding whether SCI
15 had colorable claims that could be brought against lenders, former stockholders or others, in
16 connection with the 2007 Going Private Transaction. The SLC retained its own independent
17 legal counsel, Squire Sanders & Dempsey L.L.P., and hired its own independent financial
18 advisor, Odyssey Capital Group, LLC, to perform expert financial analysis in connection with its
19 investigation. Neither professional firm had ever performed work for SCI, its affiliates, the
20 Fertitta family, or any of their affiliates.

21 77. The SLC filed its findings with the Court on September 22, 2009 (docket no 353)
22 (the "SLC Report"). The SLC determined that:

23 a. The financial projections for the 2007 Going Private Transaction were
24 reasonable when made and were not unduly optimistic or overly aggressive.

25 b. SCI was not insolvent at the time of the Going Private Transaction and did
26 not become insolvent as a result of the Going Private Transaction.

27 c. SCI was not left with unreasonably small capital.
28

1 d. SCI did not intend or expect to incur debts beyond its ability to pay those
2 debts as they matured.

3 e. No person or entity intended to nor believed the Going Private Transaction
4 would defraud, hinder, or delay a creditor of SCI.

5 f. The participants in the Going Private Transaction had a good faith belief
6 that the Going Private Transaction would succeed and that SCI would enjoy continued growth.

7 g. No person or entity engaged in inequitable conduct in connection with the
8 Going Private Transaction.

9 78. On December 18, 2009, the SLC filed its Supplemental SLC Report (docket no.
10 721) responsive to certain questions raised by the Official Creditors Committee. In the
11 Supplemental SLC Report, the SLC concluded that the Master Lease¹¹ was a true lease, not a
12 disguised financing, and that any litigation seeking to recharacterize the Master Lease as
13 disguised secured financing would be unsuccessful and a waste of Estate resources.

14 79. Based upon the SLC Report and Supplemental SLC Report, it was a reasonable
15 exercise of the Debtors' business judgment to propose a chapter 11 plan that avoids the years of
16 delay in effectuating a restructuring that would be caused by launching litigation based upon the
17 Going Private Transaction Causes of Action. Among other things, the SLC Report and
18 Supplemental SLC Report demonstrate that any party attempting to pursue any of the Going
19 Private Transaction Causes of Action would face significant legal and factual obstacles. In
20 addition, it is unclear what benefit, if any, the Estates would obtain from the pursuit of any such
21 claims. When compared to the benefits received by the Estates from the consensual restructuring

22 ¹¹ The Master Lease (as discussed in the Disclosure Statement and in numerous pleadings filed with the
23 Court in connection with Court approved amendments to the Master Lease) is between Debtor Propco as
24 landlord and Debtor SCI as tenant, and was entered into at the same time as the Going Private
25 Transaction. Under the Master Lease, SCI leases the real property and improvements associated with
26 Boulder Station Hotel & Casino, Red Rock Casino Resort Spa, Palace Station Hotel & Casino and Sunset
27 Station Hotel & Casino (collectively, the "Leased Hotels"). The Leased Hotels, in turn, are operated by
28 SCI and certain of its non-debtor operating subsidiaries. The Master Lease provides for monthly rental
payments from SCI to Propco in amounts that exceed the amounts that Propco requires to meet its
ordinary debt service obligations and any other expenses not covered by SCI under the "triple net"
provisions of the Master Lease. Subject to certain conditions, the governing documents permit some of
the surplus cash to be upstreamed as dividends to the Mezzanine Entities that own equity up the Propco
"stack" to service such Mezzanine Entities' debt, with any residual amounts then ultimately "flowing
back" to SCI as the ultimate parent entity.

1 that will be effectuated under the Plan, including benefits from the contributions of the Released
 2 Parties thereto, the likelihood of success in any litigation regarding the Going Private
 3 Transaction Causes of Action is sufficiently low to justify the release of the Going Private
 4 Transaction Causes of Action on the terms and conditions set forth in the Plan as being fair and
 5 equitable.

6 80. The Court has also considered the fact that the Going Private Transaction
 7 litigation would be extremely complex litigation, extremely costly litigation, and the delay
 8 attendant to such litigation could put a serious damper on the ability of the Debtors to ever obtain
 9 the benefits of chapter 11. Thus it is not surprising that the Debtors' principal creditor
 10 constituencies support the Plan and the release of the Going Private Transaction Causes of
 11 Action. Based upon their contribution, the SLC, its members and agents (including attorneys
 12 and financial advisors) are entitled to be included in the Plan definitions of Released Parties and
 13 Exculpated Parties, and the Confirmation Order shall so provide.

14 **3. Article X.C. of the Plan – Releases Among**
 15 **Releasing Parties and Released Parties.**

16 81. Article X.C. of the Plan provides for certain releases. The releases are (a) releases
 17 of claims held by the Debtors and their Estates (Article X.C.1.) against the identified released
 18 parties, to the fullest extent permissible under applicable law, and (b) voluntary releases of
 19 claims held by Holders of Claims and Equity Interests against the identified released parties, to
 20 the fullest extent permissible under applicable law (Article X.C.2.).

21 82. The Debtors' Release. Article X.C.1. of the Plan provides that, upon the Effective
 22 Date, to the fullest extent permissible under applicable law, and subject to certain identified
 23 exceptions, the Debtors, the Debtors' Estates, the Non-Debtor Affiliates and each of their
 24 respective Related Persons fully releases and discharges (the "Debtors' Release") each of the
 25 following parties and their respective properties and Related Persons from any and all claims and
 26 causes of action (including, without limitation, the Going Private Transaction Causes of Action)
 27 based on any act, omission or event that takes place on or prior to the Effective Date and arises
 28 from or is related to the Debtors, the Reorganized Debtors or their respective assets, property,

1 Estates, the Chapter 11 Cases, the Disclosure Statement, the Plan or the solicitation of votes on
 2 the Plan that either the releasing parties could assert or that any Holder of a Claim or Equity
 3 Interest could assert for or on behalf of the Debtors or their Estates (whether directly or
 4 derivatively): (a) the Debtors and their respective Estates; (b) the Non-Debtor Affiliates; (c) FG;
 5 (d) Holdco; (e) the Mortgage Lenders, solely in their capacity as such; (f) Colony Capital, LLC;
 6 (g) New Propco; (h) the Stalking Horse Bidder; (i) the Successful Bidder; (j) New Opco; (k) the
 7 Administrative Agent; (l) the Consenting Opco Lenders, solely in their capacity as Prepetition
 8 Opco Secured Lenders; (m) the Land Loan Lenders, solely in their capacities as such; (n) the
 9 Plan Administrator; (o) Voteco; (p) the Swap Counterparty, solely in its capacity as such; (q) the
 10 Official Creditors Committee and its members, provided that the Committee Support Stipulation
 11 has not been terminated as of the Effective Date; (r) the Put Parties, provided that the Put Parties
 12 Support Agreement and the Propco Commitment have not been terminated as of the Effective
 13 Date; and (s) the respective Related Persons of each of the foregoing Entities (defined in the Plan
 14 as the “Released Parties”). Pursuant to the Plan Modifications, the Released Parties will include
 15 the Settling Lenders (subject to the satisfaction of certain terms and conditions in the Settling
 16 Lender Stipulation) and the Mezzco Lenders.

17 83. The Debtors’ Release reflects a sound exercise of the Debtors’ business judgment.
 18 The Chapter 11 Cases involved a multitude of complex issues. In order to effectively implement
 19 the Plan, the non-Debtor parties thereto need assurance that they will not be subject to any
 20 further liability to the Debtors, their Estates, or any party that seeks to bring a claim on behalf of
 21 the Debtors or their Estates. Absent the Debtors’ Release, it is likely that the various Released
 22 Parties would not commit to support the Plan because they would remain exposed to potential
 23 claims and causes of action.

24 84. The Third Party Release. Article X.C.2. of the Plan provides that, upon the
 25 Effective Date, to the fullest extent permissible under applicable law, and subject to certain
 26 identified exceptions, each Holder of a Claim or Equity Interest that has indicated on its Ballot
 27 its agreement to grant the release contained in Article X.C.2 fully releases and discharges (the
 28 “Third Party Release”) each of the Released Parties from any and all claims and causes of action

(including, without limitation, the Going Private Transaction Causes of Action) based on any act, omission or event that takes place on or before the Effective Date in any way relating or pertaining to (v) the purchase or sale, or the rescission of a purchase or sale, of any security of the Debtors, (w) the Debtors, the Reorganized Debtors or their respective assets, property and Estates, (x) the Chapter 11 Cases, (y) the negotiation, formulation and preparation of the Plan, the Disclosure Statement, or any related agreements, instruments or other document including, without limitation, all of the documents included in the Plan Supplement; and (z) the Going Private Transaction Causes of Action.

85. Similar to the Debtors' Release, the Third Party Release provides additional assurance to the parties to the Plan and the other parties in interest in the Chapter 11 Cases that their liability on account of claims related to the Debtors (including the Going Private Transaction Causes of Action) will be minimized, and provides an additional incentive for such parties to settle and consent to the Plan.

86. The Third Party Releases set forth in Article X.C.2. of the Plan are being made on a wholly voluntary basis by such Holder of a Claim or Equity Interest that has indicated on its Ballot that it is consenting to such release. The Ballots sent to each Holder of a Claim or Equity Interest entitled to vote on the Plan unambiguously stated that the election to consent to such release was at such Holder's option. The entirely voluntary Third Party Release is an effective tool in winning the necessary support for the Plan, and does not unnecessarily trample on the rights of any party that did not agree to such Third Party Release.

87. In connection with the Confirmation Hearing, no party in interest objected to the Debtors' Release or the Third Party Release.

4. Article X.D. of the Plan – Exculpation.

88. Article X.D. of the Plan provides, subject to certain identified exceptions, an exculpation of the following parties from any claims or causes of action arising on or after the Petition Date and prior to or on the Effective Date for any act taken or omitted to be taken in connection with, or related to formulating, negotiating, preparing, disseminating, implementing, administering, soliciting, confirming or effecting the consummation of the Plan, the Disclosure

1 Statement or any sale, contract, instrument, release or other agreement or document created or
2 entered into in connection with the Plan or any other prepetition or postpetition act taken or
3 omitted to be taken in connection with or in contemplation of the restructuring of the Debtors,
4 the approval of the Disclosure Statement, confirmation or Consummation of the Plan: (a) the
5 Debtors and their respective Estates; (b) the Non-Debtor Affiliates; (c) FG; (d) Holdco; (e) the
6 Mortgage Lenders, solely in their capacity as such; (f) Colony Capital, LLC; (g) New Propco; (h)
7 the Stalking Horse Bidder; (i) the Successful Bidder; (j) New Opco; (k) the Administrative
8 Agent; (l) the Consenting Opco Lenders, solely in their capacity as Prepetition Opco Secured
9 Lenders; (m) the Land Loan Lenders, solely in their capacities as such; (n) the Plan
10 Administrator; (o) Voteco; (p) the Swap Counterparty, solely in its capacity as such; (q) the
11 Official Creditors Committee and its members, provided that the Committee Support Stipulation
12 has not been terminated as of the Effective Date; (r) the Put Parties, provided that the Put Parties
13 Support Agreement and the Propco Commitment have not been terminated as of the Effective
14 Date; and (s) the respective Related Persons of each of the foregoing Entities (the "Exculpated
15 Parties"). Pursuant to the Plan Modifications, the Exculpated Parties will include the Settling
16 Lenders (subject to the satisfaction of certain terms and conditions in the Settling Lender
17 Stipulation) and the Mezzco Lenders.

18 89. The Plan's exculpation provision provides additional incentive for the various
19 major parties to the Chapter 11 Cases to commit to and support the Plan. The exculpation
20 ensures that such parties will not be subject to any claims or causes of action relating to their
21 good faith acts or omissions in the restructuring efforts that began almost a year prior to the
22 Petition Date. The exculpation ensures that the Plan will have finality, and that the parties
23 thereto will not be subject to collateral attacks through litigation against the Plan's proponents
24 and supporters. In connection with the Confirmation Hearing, no party in interest objected to the
25 exculpation provisions of the Plan.

26 90. The Court finds that the settlement, release, injunction and exculpation provisions
27 set forth in Article X. of the Plan (i) are integral to the agreement among the various parties in
28 interest and the overall objectives of the Plan, (ii) are essential to the formulation and successful

1 implementation of the Plan for the purposes of Section 1123(a)(5) of the Bankruptcy Code,
 2 (iv) are being provided for valuable consideration and have been negotiated in good faith and at
 3 arms' length, (v) confer material and substantial benefits on the Debtors' Estates, and (vi) are in
 4 the best interests of the Debtors, their Estates and other parties in interest and, as to the releases
 5 made by, or on behalf of, the Debtors or the Estates, are based on sound business judgment.

6 **5. No Successor Liability**

7 91. Section 1141(c) provides in relevant part that "after confirmation of a plan, the
 8 property dealt with by a plan is free and clear of all claims and interests of creditors, equity
 9 security holders, and of general partners of the debtor. 11 U.S.C. § 1141(c).¹² In addition,
 10 Section 363(f) provides statutory authority for the sale of estate property free and clear of
 11 "interests in the property," and courts have generally interpreted Section 363(f) to authorize sales
 12 free and clear of liens and claims. *See e.g., In re Trans World Airlines*, 322 F.3d 283, 290 (3d
 13 Cir. 2003) (holding that unsecured claims of debtor's employees "are interests within the
 14 meaning of section 363(f) in the sense that they arise from the property being sold."); *Meyers v.*
 15 *United States*, 297 B.R. 774, 781-82 (S.D.Cal. 2003) (concluding that purchaser had acquired
 16 assets of debtor free and clear of plaintiff's unsecured personal injury claims). Courts have also
 17 expressly held that transferees of a debtor's assets pursuant to a sale approved under Section 363
 18 or pursuant to confirmation of a chapter 11 plan are not liable for claims against the debtor under
 19 successor liability theories. *See e.g., In re Trans World Airlines, supra* (Section 363 sale); *Myers*
 20 *v. United States, supra* (Section 363 sale); *In re White Motor Credit Corp.*, 75 B.R. 944, 950
 21 (Bankr. N.D. Ohio 1987) (confirmation of plan). The court in *White Motor Credit Corp.* held
 22 that state law successor liability theories are preempted by the Bankruptcy Code. 75 B.R. at 950.

23 92. The Plan provides that the entities receiving the New Opco Acquired Assets and
 24 New Propco Acquired Assets and their subsidiaries, creditors and equity holders, shall have no
 25

26 ¹² Section 1141(c) is expressly subject to the provisions of Section 1141(d)(3), which provides that
 27 confirmation of a plan does not discharge a liquidating debtor, but Section 1141(c) refers to *property* of
 28 the debtor, not the debtor. *See e.g., In re Regional Bldg. Sys., Inc.*, 251 B.R. 274, 282 (Bankr. D. Md.
 2000), *aff'd*, 254 F.3d 528, 531 (4th Cir. 2001) (free and clear provision of Section 1141(c) applies to
 liquidating chapter 11 plans); *In re Shenandoah Realty*, 248 B.R. 505, 513 (W.D. Va. 2000) (same); *In re*
Van Dyke, No. 88-81521, 1996 WL 33401578 at *4 (Bankr. C.D. Ill. Jan. 10, 1996) (same).

1 successor liability for creditors' Claims (including Claims of governmental entities) against the
2 Debtors and the Non-Debtor Affiliates, or otherwise based upon the implementation of the Plan,
3 and such intent of the Plan was plainly described in the Disclosure Statement. During the course
4 of the Chapter 11 Cases, and in connection with the Confirmation Hearing, no party in interest
5 objected to such Plan term.

6 93. Even when the Court applies applicable nonbankruptcy law to the analysis of the
7 transfers of the New Opco Acquired Assets and New Propco Acquired Assets under the Plan, the
8 default rule under state law is that purchasers have no successor liability. *Village Builders 96,*
9 *L.P. v. U.S. Laboratories, Inc.*, 112 P.3d 1082, 1087 (Nev. 2005) (“[I]t is the general rule that
10 when one corporation sells all of its assets to another corporation the purchaser is not liable for
11 the debts of the seller.” (quoting *Lamb v. Leroy Corp.*, 454 P.2d 24, 26–27 (Nev. 1969))).
12 Successor liability against purchasers is only applied when one of the exceptions to the default
13 rule against successor liability has been proven. *Village Builders*, 121 Nev. at 268 (purchasers of
14 assets have no successor liability unless one of the following four exceptions are met: (a) the
15 transferee has agreed to assume the transferor's liabilities; (b) the transaction is a *de facto*
16 *merger*; (c) the transferee is mere continuation of transferor; or (d) the transaction is a fraud to
17 escape liabilities).

18 94. There is no evidence of successor liability because none of the *Village Builders*
19 exceptions to the general rule of no successor liability apply to the Restructuring Transactions
20 and implementation of the Plan. First, the transferees of the New Opco Acquired Assets and
21 New Propco Acquired assets are not assuming the Debtors' liabilities (except with respect to
22 certain expressly assumed liabilities and permitted exceptions); the Plan and the other
23 Restructuring Transactions Related Documents are clear and unequivocal on that point.

24 95. Second, courts generally will not find a *de facto* merger unless the consideration
25 for the assets is the stock of the transferee, which is not the case here. *See Louisiana-Pacific*
26 *Corp. v. Asarco, Inc.*, 909 F.2d 1260, 1264-65 (9th Cir. 1990) (overruled on other grounds)
27 (finding no continuity of shareholders where consideration paid by purchaser was a combination
28 of cash, promissory note and payment of some debts, and no stock in purchaser or its parent

1 company was exchanged as part of the sale); *see also Ferguson v. Arcata Redwood Co., LLC*,
 2 No. C03-05632, 2004 WL 2600471, *4 (N.D.Cal. Nov. 12, 2004) (purchaser was not alleged to
 3 have purchased seller's assets with stock, precluding a finding of successor liability); *Kaletka v.*
 4 *Whittaker Corp.*, 221 Ill. App. 3d 705, 709 (1991) (when payment for assets by stock of
 5 transferee is not present, sound policy does not support imposing the predecessor's liabilities
 6 upon the successor "when it has already paid a substantial price for the assets of the
 7 predecessor."). Here, the consideration for the Opco Assets is cash and secured notes issued by
 8 Purchaser; and the New Propco Transferred Assets are being transferred in exchange for and on
 9 account of the secured claims of the creditors of Propco. None of the consideration for the assets
 10 being transferred under the Plan is the stock of transferee.

11 96. Third, courts will not find a *de facto* merger or that the transferee is a mere
 12 continuation of the transferor unless the stock, stockholders and directors of the transferor and
 13 transferee are substantially the same, which is not the case here. *See e.g. Village Builders*, 121
 14 Nev. at 274 (no showing of mere continuation without "identity of stock, stockholders and
 15 directors between the two corporations") (emphasis added). *See also, Commercial Nat'l Bank v.*
 16 *Newtson*, 39 Ill.App.3d 216, 217 (1976) (applying the general rule against corporate successor
 17 liability in a situation where one shareholder owned 25% of the predecessor corporation, and
 18 after the asset transfer the same shareholder owned 40% of the successor corporation); *Joseph*
 19 *Huber Brewing Co., Inc. v. Pamado, Inc.*, No. 05 C 2783, 2006 WL 2583719, *12-13 (N.D.Ill.,
 20 September 5, 2006) (finding that a continuity of minority ownership—approximately 15%—does
 21 not weigh in favor of a finding for the continuation exception); *Jeong v. Onada Cement Co.,*
 22 *Ltd.*, No. CV 99-11092, 2000 WL 33954824, *4 fn 4 (C.D.Cal., May 17, 2000) (acknowledging
 23 that under California law, successor liability exists where shareholders are "practically" the
 24 same).

25 97. Here, there is no identity of stock, stockholders or directors between the transferor
 26 and the transferee. The transferors, the Debtors and their Non-Debtor Subsidiaries, are currently
 27 owned directly and indirectly by Colony Capital and the Fertitta family. Colony owns
 28 approximately 74% of the economic value of such stock, the Fertitta family approximately 26%.

1 The transferee, however, New Propco and its affiliates, will be owned 40% by the current
 2 Mortgage Lenders and Mezzco Lenders, 15% by the general unsecured creditors of the Debtors
 3 that acquire equity through the Propco Rights Offering, and 45% by Fertitta Gaming LLC. Not
 4 only will there be no identity of stock and stockholders between transferee and transferor, but a
 5 majority of the transferee stock will be held by entities that hold no stock in the transferor
 6 Debtors. Moreover, while all of the current directors of the Debtors are appointed by Colony and
 7 the Fertittas, three of the eight directors of the transferees will be appointed by the creditors
 8 receiving the stock in transferee, and they will have reasonable approval rights over the
 9 appointment of the two independent directors. Thus, the transferees of the New Opco Acquired
 10 Assets and New Propco Acquired Assets are not, under applicable law, including Nevada law, a
 11 mere continuation of the Debtors.

12 98. Fourth, numerous courts, including Nevada courts, have not found the transferee
 13 to be a mere continuation of the transferor where the selling corporation continues to exist, even
 14 if the selling corporation ceases its business operations. For example, in *Village Builders, supra*,
 15 where the Nevada Supreme Court declined to find successor liability, the transferor had sold all
 16 of its assets, but the transferor corporation was maintained for the purpose of a pending lawsuit.
 17 121 Nev. at 272. Other jurisdictions have reached similar conclusions. *See, e.g., Schumacher v.*
 18 *Richards Shear Co.*, 59 N.Y.S.2d 239, 245 (1983) (“Since Richards Shear survived the instant
 19 purchase agreement as a distinct, albeit meager, entity, the Appellate Division properly
 20 concluded that Logemann cannot be considered a mere continuation of Richards Shear.”);
 21 *Gavette v. The Warner & Swasey Co.*, No. 90-CV-217, 1999 WL 118438, at *5 (N.D.N.Y. Mar.
 22 5, 1999) (finding that *de facto* merger did not lie because the seller corporation continued to exist
 23 “at least transcendently for one year.”). Here, like the transferor in *Village Builders*, the
 24 Debtors will continue to exist after the Effective Date for the purpose of facilitating Plan
 25 implementation, claims adjudication and distribution related processes, including possibly
 26 pursuing retained causes of action.¹³

27
 28 ¹³ The Debtors will not be pursuing Avoidance Actions against counterparties to any Purchased Assets
 or Assumed Liabilities (as defined in the Stalking Horse APA), including, without limitation, Assumed
 Contracts, because they are being released pursuant to the Confirmation Order.

99. Other facts relevant to a finding of no successor liability are: (a) Purchaser is not purchasing all of the Debtors' assets in that Purchaser is not purchasing any of the assets listed on Schedule 2.4 of the Stalking Horse APA; and (b) those of the Debtors' employees who are to be employed by New Opco and New Propco are being hired under new employment contracts or other arrangements to be entered into or to become effective at the time of the asset transfers.

100. Finally, the Plan is unmistakably not a fraud to escape liabilities. The record of the Chapter 11 Cases shows that the parties to the Plan have acted in good faith, the Plan has been proposed in good faith, and the Plan accomplishes the goals of maximizing the value of the Debtors' assets for the benefits of the Debtors' creditors. Thus, based upon the facts of these Chapter 11 Cases, none of the exceptions to the rule against successor liability under Nevada law apply.

D. DEBTORS' PROPOSED PLAN MODIFICATIONS

101. The Plan Modifications Motion proposes four modifications to the Plan (the "Plan Modifications"). The first Plan Modification modifies Article I.B. of the Plan as follows:

(a) The definition of Exculpated Parties shall include the Settling Lenders and Mezzco Lenders; provided, however, that the Settling Lenders shall be Exculpated Parties only if all of the applicable terms and conditions of the Settling Lender Stipulation are satisfied by the Settling Lenders.

(b) "Mezzco Lenders" means the lenders to the Mezzco Debtors.

(c) The definition of Released Parties shall include the Settling Lenders and Mezzco Lenders; provided, however, that the Settling Lenders shall be Released Parties only if all of the applicable terms and conditions of the Settling Lender Stipulation are satisfied by the Settling Lenders.

(d) "Settling Lenders" means the Prepetition Opco Secured Lenders referred to as the Settling Lenders in the Stipulation (the "Settling Lender Stipulation") that is Exhibit 1 to the "Debtors' Motion For Order Approving Global Settlement With Independent Lender Group" (docket no. 1965).

102. The second Plan Modification: (a) amends Articles IX.B. of the Plan, entitled Conditions Precedent to Effective Date and Consummation of the Plan; and (b) amends Article IX.C. of the Plan, entitled Waiver of Conditions. Article IX.B. is amended by adding, after the ninth condition, the following condition:

10. All documentation relating to the issuance of the NPH Warrants, NPH Investment Rights and NPH Post-Effective Investment Rights, and all documentation and

1 other matters relating to the exemption of such issuances from any registration
2 requirements imposed under any federal or state securities laws, shall be acceptable in all
3 respects to the Debtors, FG and the Mortgage Lenders.

4 103. Article IX.C. of the Plan is amended as follows: The reference in Article IX.C. to
5 "... the conditions specified in Article IX.B.5 or B.6 ..." shall be replaced with "... the
6 conditions specified in Article IX.B.5, B.6 or B.10 ...".

7 104. The third Plan Modification adds the following language to the Confirmation
8 Order:

9 Notwithstanding anything in the Plan to the contrary, the Debtors shall have until
10 December 1, 2010 to file and serve motions to assume, assume and assign, or reject
11 Executory Contracts and Unexpired Leases (and may obtain additional time by filing a
12 motion for additional time prior to such deadline and upon notice and a hearing and a
13 showing of good cause). If the Debtors reject an Executory Contract or Unexpired Lease,
14 the non-debtor party shall have 30 days from entry of the order approving the rejection to
15 file a Proof of Claim for rejection damages.

16 105. The fourth Plan Modification modifies Article V.H. of the Plan by deleting clause
17 (iii) and adding the following at the end of the paragraph:

18 The Debtors shall be dissolved as soon as practicable after the Effective Date, but
19 in no event later than the closing of the Chapter 11 Cases. After the Effective Date, the
20 Plan Administrator shall act as the sole officer or manager, as the case may be, of each of
21 the Debtors.

22 106. The Plan Modifications appear to be reasonable and non-material revisions to the
23 Plan. The additional condition precedent to the Effective Date with respect to the issuance and
24 documentation of the NPH Warrants, NPH Investment Rights and NPH Post-Effective
25 Investment Rights is based upon the practical reality that the settlement between the Debtors and
26 the Official Creditors Committee did not leave sufficient time prior to the Confirmation Hearing
27 to get the subscription and related documents prepared prior to the Confirmation Hearing. Since
28 there is expected to be a several month delay between the Confirmation Date and the Effective
Date, the Plan Modification does not burden or change the treatment of the Claim of any
creditor. Similarly, the Plan Modification that adds additional time for completing the process of
assuming and assigning contracts and leases to the transferees of the New Opco Acquired Assets
and New Propco Acquired Assets rationalizes a process that might otherwise have delayed entry

1 of the Confirmation Order. Since the Debtors are obligated to perform under these contracts and
2 leases until they reject them, the counterparties are protected, and are not prejudiced by the delay
3 in the final decision of assumption or rejection. Finally, the Plan Modification that delays
4 dissolution of the Debtors to some time after the Effective Date simply reflects the practical
5 reality that there will likely be Plan implementation actions that will be required of the Debtors
6 after the Effective Date.

7 107. The Plan Modifications do not alter the classification and treatment of Claims and
8 Equity Interests, and do not otherwise make the Plan unconfirmable. The Plan Modifications do
9 not require resolicitation of votes because the Plan Modifications do not materially affect the
10 rights of any Holders of Claims and Equity Interests, and it is unlikely that Holders that voted to
11 accept the Plan would reconsider their acceptance based upon the Plan Modifications. Each non-
12 Debtor party to an unexpired lease of real property consented in writing to extending until the
13 Effective Date the deadline to assume or reject such lease.

14 **E. AMENDMENTS TO THE STALKING HORSE APA**

15 108. The Required Consenting Lenders, FG and the Mortgage Lenders have each
16 consented to the APA Amendment to the extent required under the Stalking Horse APA and
17 related support agreements. The APA Amendment modifies certain provisions of the Stalking
18 Horse APA related to the timetable for assuming and assigning contracts and leases.

19 109. The APA Amendment also modifies the definition of an acceptable Confirmation
20 Order. The original definition of "Confirmation Order" in the Stalking Horse APA required,
21 among other things, that the Court find, in connection with confirmation of the Plan, that no
22 administrative tax claims for income tax will result from or arise out of the implementation of the
23 transactions contemplated by the Stalking Horse APA or the Plan, other than alternative
24 minimum taxes that in the aggregate are less than \$15 million (the "Maximum Tax
25 Determination"). As the Debtors disclosed in their Disclosure Statement at Articles VIII.A.5.
26 and X.A.1.: (i) the Debtors have requested a private letter ruling from the Internal Revenue
27 Service regarding the application of Internal Revenue Code section 267 to the Restructuring
28 Transactions, though, as set forth in the Disclosure Statement, the receipt of a ruling from the

1 Internal Revenue Service is not a closing condition under the Stalking Horse APA, as amended,
2 nor is the failure to receive such a ruling a termination event thereunder; and (ii) the Debtors
3 intend to seek a ruling from this Court regarding the Maximum Tax Determination. By the APA
4 Amendment, the requirement of the Stalking Horse APA that the Confirmation Order include the
5 Maximum Tax Determination is deleted. In its place, the Maximum Tax Determination becomes
6 a condition precedent to the closing of the sale under the Stalking Horse APA, the
7 Consummation of the Plan and the occurrence of the Effective Date, subject, in each case, to the
8 cure rights during the Seller Excess AMT Period (as defined in the Stalking Horse APA), which
9 rights are not modified by the APA Amendment and are preserved.

10 **F. SATISFACTION OF CONDITIONS TO CONFIRMATION.**

11 110. Each of the conditions precedent to the entry of these Findings of Fact and
12 Conclusions of Law and the Confirmation Order, as set forth in Article IX.A. of the Plan, has
13 been satisfied.

14 **III. CONCLUSIONS OF LAW.**

15 **A. JURISDICTION AND VENUE.**

16 111. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and
17 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The Debtors were and are
18 qualified to be debtors under Section 109 of the Bankruptcy Code. Venue of the Chapter 11
19 Cases in the United States Bankruptcy Court for the District of Nevada was proper as of the
20 Petition Date, pursuant to 28 U.S.C. § 1408, and continues to be proper.

21 **B. COMPLIANCE WITH SECTION 1129 OF THE BANKRUPTCY CODE.**

22 112. As set forth above, the Plan complies in all respects with the applicable
23 requirements of Section 1129(a) of the Bankruptcy Code, except Section 1129(a)(8).
24 Notwithstanding the fact that Section 1129(a)(8) has not been satisfied, the Plan satisfies the
25 requirements of Section 1129(b) with respect to all non-accepting Classes of Claims and Equity
26 Interests. The Court will confirm the Plan and enter the Confirmation Order contemporaneous
27 with these Findings of Fact and Conclusions of Law.
28

1 **1. The Classification of Claims Under the Plan**
2 **Complies With the Requirements of the Bankruptcy Code.**

3 113. Under the Plan, Claims of creditors holding general unsecured claims against
4 Debtor SCI, Classes S.4 through S.7, are classified separately. In the Memorandum of Law, the
5 Debtors argue that the separately classified Claims are different in substance and nature, and the
6 claimholders have different rights against SCI and, in some cases, *vis-à-vis* each other.
7 Therefore, the Debtors argue, there are justifiable, nondiscriminatory economic and business
8 reasons for separate classification of the unsecured claims in Classes S.4, S.5, S.6 and S.7 in
9 compliance with the requirements of Bankruptcy Code Sections 1122(a) and 1129(a)(1).

10 114. Section 1122(a) provides in relevant part that “a plan may place a claim or an
11 interest in a particular class only if such claim or interest is substantially similar to the other
12 claims or interests of such class.” 11 U.S.C. § 1122(a). Section 1122(a) does not require that
13 similar claims be placed in the same class. *See In re Montclair Retail Ctr., L.P.*, 177 B.R. 663,
14 665 (B.A.P. 9th Cir. 1995). Rather, when a court is reviewing the propriety of separate
15 classification of unsecured claims outside the context of a single, disproportionately large
16 deficiency claim, the test is whether there is a nondiscriminatory, business justification for
17 classifying similar claims separately. *See e.g., Steelecase, Inc. v. Johnston (In re Johnston)* 21
18 F.3d 323 (9th Cir. 1994); *State St. Bank & Trust Co. v. Elmwood, Inc. (In re Elmwood, Inc.)*, 182
19 B.R. 845 (D. Nev. 1995); *In re Montclair Retail Ctr., L.P.*, 177 B.R. 663 (B.A.P. 9th Cir. 1995);
20 *In re Hawaiian Telcom Commc’ns.*, No 08-2005, 2009 WL 5386130 (Bankr. D. Hawaii, Dec. 30,
21 2009). In evaluating whether separate classification is proper, the Court may consider the kind,
22 species, or character of each category of applicable claims. *In re Johnston*, 21 F. 3d at 327; *In re*
23 *Montclair Retail Ctr.*, 177 B.R. at 665; *In re Elmwood, Inc.*, 182 B.R. at 849.

24 115. Class S.4 Claims are general unsecured claims consisting of trade claims,
25 employee claims, rejection damages claims and deficiency claims of certain secured lenders.
26 Class S.5 consists of Senior Notes Claims, which are general unsecured claims that are
27 contractually senior in right of repayment to the Subordinated Notes Claims that comprise Class
28 S.6. The size, nature and underlying terms of the Claims held by vendors, employees and other

1 trade creditors in Class S.4 are distinctly different from the Senior Note Claims in Class S.5 held
2 by large financial institutions, mutual funds, private equity funds and hedge funds. Similarly,
3 due to the contractual subordination of the Subordinated Note Claims, Class S.6, it is not
4 appropriate under the distribution mechanisms of the Plan to classify those claims in the same
5 Class as the Senior Note Claims, Class S.5. Thus, under the circumstances of these Chapter 11
6 Cases, it is appropriate to separately classify Classes S.4, S.5 and S.6. *See e.g., In re Hawaiian*
7 *Telcom Communc'ns.*, 2009 WL 5386130 at *17-18 (holding that senior note claims and
8 subordinated note claims are different and thus may be classified separately, and that general
9 unsecured claims are distinct from senior note claims and thus may be classified separately).

10 116. Class S.7 consists of the Mortgage Lender claims against SCI. Class S.7 Claims
11 arise from Propco's prepetition, contractual assignment of all of Propco's rights under the Master
12 Lease as collateral to the Mortgage Lenders to secure the Mortgage Loan. Class S.7 Claims are
13 based upon security interests granted by Propco to the Mortgage Lenders, pursuant to which the
14 Mortgage Lenders are entitled to receive whatever Propco will receive from SCI on account of
15 Propco's Master Lease rejection damages claim. Thus, the Claims in Class S.7 are not
16 substantially similar to the Class S.4, S.5 and S.6 Claims, and the Debtors were required to
17 separately classify Class S.7. *See e.g., In re Johnston*, 21 F.3d 323 at 326 (approving separate
18 classification of unsecured claims where one class was comprised of disputed unsecured claims
19 secured by valid perfected liens against property of a co-debtor and guaranteed by the debtor,
20 another class contained claims based on the debtor's guarantor liability, and the third class
21 contained claims for which the debtor was solely responsible).

22 117. The Court concludes that the Debtors have posited good business reasons for the
23 separate classification of Classes S.4 through S.7., and have shown that 3 of the 4 Classes have
24 substantially differing legal rights that may indeed require separate classification. Moreover,
25 there does not appear to be any evidence that the separate classification is intended to effect an
26 economic advantage for the Debtors, or for any group of creditors over another, and there is no
27 evidence of any intent to gerrymander a class for the purpose of creating an impaired consenting
28

1 class. Accordingly, the Court concludes that the separate classification of Classes S.4, S.5, S.6
2 and S.7 complies with all of the applicable provisions of Sections 1122, 1123 and 1129.

3 **2. The Plan Complies With the Requirements of Section 1129(a)(10).**

4 118. Seventeen Classes of Claims voted to accept the Plan, in each case determined
5 without including any acceptance of the Plan by any insider. They are Classes FHI.1, FP.1,
6 VC.1, P.2, M5.2, M4.1, M3.1, M2.1, M1.1, S.2, S.3, S.4, S.5, S.6, S.7, RC.2 and TS.2.
7 However, several of the Debtors had no Voting Classes. The bankruptcy courts that have
8 expressly considered the matter have uniformly held that compliance with Section 1129(a)(10) is
9 tested on a per-plan basis, not on a per-debtor basis, and that Section 1129(a)(10) therefore does
10 not require an accepting impaired class for each debtor under a joint plan. *See e.g. In re Charter*
11 *Communications, Inc.*, 419 B.R. 221, 266 (Bankr. S.D.N.Y. 2009) (joint plan of 110 debtors that
12 did not involve substantive consolidation; court held that only a single accepting impaired class
13 under the plan required to satisfy Section 1129(a)(10)); *In re Enron Corp.*, Case No. 01-16034
14 (AJG), 2004 Bankr. LEXIS 2549 at *234-235 (Bankr. S.D.N.Y. July 15, 2004) (joint chapter 11
15 plan for 177 debtors confirmed although majority of debtors lacked an impaired consenting
16 class); *In re SGPA, Inc.*, Case No. 1-01-02609, 2001 WL 34750646, at p.7 (Bankr. M.D. Pa.
17 Sept. 8, 2001) (bankruptcy court confirmed joint plan for multiple debtors and held that “in a
18 joint plan of reorganization it is not necessary to have an impaired class of creditors of each
19 Debtor vote to accept the Plan.”).

20 119. The Court agrees with the *Enron* court that the plain language and inherent
21 fundamental policy behind Section 1129(a)(10) supports the view that the affirmative vote of one
22 impaired class under the joint plan of multiple debtors is sufficient to satisfy Section
23 1129(a)(10). *See In re Enron Corp.*, 2004 Bankr. LEXIS 2549 at *234-235. The Court
24 concludes, therefore, that the acceptance of the Plan by seventeen Classes of Claims is sufficient
25 for the Plan to satisfy the requirements of Section 1129(a)(10).

26 **3. The Plan Complies With the Requirements of Section 1129(a)(11).**

27 120. Section 1129(a)(11) requires the Court to find that confirmation of the Plan is not
28 likely to be followed by the need for further financial reorganization of the Debtors or any

1 successor to the Debtors under the Plan. Since the Debtors are being liquidated under the Plan,
2 the question of further financial reorganization of the Debtors is moot. *See e.g., In re 47th and*
3 *Bellevue Partners*, 95 B.R. 117, 120 (Bankr. W.D. Mo. 1988) (under the literal wording of
4 Section 1129(a)(11), it is unnecessary to show feasibility when liquidation is proposed in the
5 plan); *In re Pero Bros. Farms, Inc.*, 90 B.R. 562, 563 (Bankr. S.D. Fla. 1988) (the feasibility test
6 has no application to a liquidation plan). Moreover, none of the entities receiving the Debtors'
7 assets are successors to the Debtors; therefore, no feasibility finding is required with respect to
8 those entities either.

9 121. Nevertheless, where, as here, all of the Opco Assets are being liquidated through
10 an approved Sale Process and all of the New Propco Transferred Assets are being transferred
11 under the Plan to the creditors with the senior interests in those assets, the Court can determine
12 that the Plan complies with the "feasibility" test of Section 1129(a)(11) as long as the liquidation
13 is contemplated under the Plan, as it is here, and can be consummated. *See e.g., In re*
14 *Cypresswood Land Partners, I*, 409 B.R. 396, 433 (Bankr. S.D. Tex. 2009) (plan that provides
15 for a sale of substantially all of a debtor's assets offers a reasonable probability of success and
16 can satisfy Section 1129(a)(11)). Here, the New Opco Acquired Assets and New Propco
17 Acquired Assets will be transferred to the applicable transferees under the Plan on the Effective
18 Date. Thus, the Debtors are able to satisfy the feasibility test of Section 1129(a)(1) by
19 demonstrating the financial wherewithal of the transferees to close on the Restructuring
20 Transactions in a manner that has a reasonable prospect of resulting in the consummation of the
21 Plan. To demonstrate that a plan is feasible, a debtor need only show a reasonable probability of
22 success. *In re Acequia, Inc.*, 787 F.2d 1352, 1364 (9th Cir. 1986).

23 122. Based upon (i) the financial projections for New Propco and New Opco, (ii) the
24 clear financial wherewith and desire of the parties to the Restructuring Transactions to close on
25 the Effective Date, (iii) the evidence that the Put Parties are willing to purchase up to
26 \$100 million of equity in New Propco, and (v) the willingness of the Official Creditors
27 Committee to shift from zealous opponent to supporter of the Plan because the Plan now
28 provides general unsecured creditors with the UC Securities, the Court concludes that it is more

1 likely than not that: (a) Purchaser will close on the Stalking Horse APA, (b) New Propco, its
2 affiliates and the Debtors will be able to effectuate all of the other Restructuring Transactions,
3 and (c) New Propco and New Opco will be able to service the debt obligations they have agreed
4 to issue in connection with the Restructuring Transactions. Thus, the Court concludes that the
5 Plan meets the feasibility test of Section 1129(a)(11).

6 **C. THE TERMS OF THE SALE OF THE OPCO ASSETS TO THE**
7 **SUCCESSFUL BIDDER ARE APPROVED IN ALL RESPECTS.**

8 123. On the Effective Date, the transfer of the Opco Assets and the New Propco
9 Transferred Assets to Purchaser will be a legal, valid, and effective transfer of the Opco Assets
10 and the New Propco Transferred Assets, and will vest Purchaser with all right, title, and interest
11 of the Debtors to the Opco Assets and the New Propco Transferred Assets free and clear of all
12 Liens, Claims and Equity Interests, including but not limited to all claims arising under doctrines
13 of successor liability.

14 124. The Stalking Horse APA and the other Restructuring Transactions, including the
15 transfer of the Propco Transferred Assets to Purchaser, were negotiated and have been and are
16 undertaken by the Debtors and the Purchaser at arms' length without collusion or fraud, and in
17 good faith within the meaning of Section 363(m) of the Bankruptcy Code. The Sale Process,
18 including the marketing of the New Opco Acquired Assets and the negotiations surrounding the
19 New Propco Purchased Assets, were conducted at arms' length and in good faith within the
20 meaning of Section 363(m) of the Bankruptcy Code. Purchaser is a purchaser in good faith of
21 the Opco Assets as that term is used in Section 363(m) of the Bankruptcy Code, and Purchaser
22 and the Debtors are entitled to the protections of Section 363(m) of the Bankruptcy Code with
23 respect to the Opco Assets and the Propco Transferred Assets. Moreover, neither the Debtors
24 nor the Purchaser engaged in any conduct that would cause or permit the Stalking Horse APA,
25 the consummation of the Sale, the related Restructuring Transactions, including the transfer of
26 the Propco Transferred Assets to Purchaser, or the assumption and assignment of the Assumed
27 Contracts to be avoided, or costs or damages to be imposed, under Section 363(n) of the
28 Bankruptcy Code. All debt incurred by Purchaser in connection with the Restructuring

1 Transactions, and all Liens granted by Purchaser in connection with such incurrence of debt, are
2 entitled to the protections of Section 364(e) of the Bankruptcy Code.

3 125. The consideration provided by Purchaser for the Opco Assets under the Stalking
4 Horse APA is fair and reasonable and shall be deemed for all purposes to constitute Value under
5 the Bankruptcy Code and any other applicable law.

6 126. The Debtors are authorized to sell the Opco Assets free and clear of all Liens,
7 Claims, Equity Interests and Other Liabilities, because, with respect to each creditor asserting a
8 Lien, Claim, Equity Interest or Other Liability, one or more of the standards set forth in Sections
9 363(f)(1)-(5) has been satisfied. Those Holders of Liens, Claims, Equity Interests and Other
10 Liabilities who did not object or withdrew objections to the sale, Stalking Horse APA and the
11 related Restructuring Transactions are deemed to have consented thereto pursuant to Section
12 363(f)(2) of the Bankruptcy Code. Those Holders of Liens, Claims, Equity Interests and Other
13 Liabilities who did object fall within one or more of the other subsections of Section 363(f) of
14 the Bankruptcy Code.

15 127. Except as expressly provided in the Stalking Horse APA, Purchaser is not
16 assuming, nor shall it or any of its affiliates, or their respective Related Persons, be deemed in
17 any way liable or responsible as a successor or otherwise for, any liabilities, debts, or obligations
18 of the Debtors in any way whatsoever relating to or arising from the Debtors' ownership of the
19 Opco Assets or use of such assets on or prior to the Effective Date. The Confirmation Order
20 shall provide that all such liabilities, debts and obligations are extinguished as to all Persons,
21 Entities and Governmental Units on the Effective Date insofar as they may give rise to liability,
22 successor or otherwise, under any theory of law or equity against Purchaser and their Related
23 Persons.

24 128. Pursuant to the terms of the Stalking Horse APA and Sections 363(b), 363(f) and
25 1141(c) of the Bankruptcy Code, the Debtors are authorized to consummate, and shall be deemed
26 for all purposes to have consummated, the sale, transfer and assignment of the New Opco
27 Acquired Assets and the New Propco Acquired Assets to Purchaser on the Effective Date free
28 and clear of: (i) all Liens, Claims, Equity Interests and Other Liabilities, including without

1 limitation any Claim, whether arising prior to or subsequent to the commencement of these
2 bankruptcy cases, arising under doctrines of successor liability; and (ii) any restriction on the
3 use, voting, transfer, receipt of income or other exercise of any attributes of ownership of the
4 Opco Assets. The Confirmation Order shall provide that, except as otherwise expressly provided
5 in the Stalking Horse APA, on the Effective Date all such Liens, Claims, Equity Interests and
6 restrictions shall be released, terminated and discharged as to the Purchaser and the Opco Assets.

7 129. Purchaser shall not be deemed a successor of or to the Debtors or the Debtors'
8 estates with respect to any Liens, Claims, Equity Interests and Other Liabilities against the
9 Debtors or the Opco Assets, and Purchaser shall not be deemed liable in any way for any such
10 Liens, Claims, Equity Interests and Other Liabilities, including, without limitation, the Excluded
11 Liabilities or Excluded Assets (as those terms are used in the Stalking Horse APA). The
12 Confirmation Order shall provide that, on the Effective Date, all creditors and equityholders of
13 the Debtors, including all Governmental Units, are permanently and forever barred, restrained
14 and enjoined from (a) asserting any claims or enforcing remedies, or commencing or continuing
15 in any manner any action or other proceeding of any kind, against Purchaser, their Related
16 Persons or the New Opco Acquired Assets or New Propco Acquired Assets on account of any
17 Liens, Claims, Equity Interests and Other Liabilities, Excluded Liabilities or Excluded Assets, or
18 (b) asserting any claims or enforcing remedies against Purchaser or their Related Persons under
19 any theory of successor liability, merger, *de facto* merger, substantial continuity or similar
20 theory.

21 130. Without limiting the generality of the foregoing paragraph, other than as
22 specifically set forth in the Stalking Horse APA: (a) Purchaser and their Related Persons shall
23 have no liability or obligation (x) to pay wages, bonuses, severance pay, benefits (including,
24 without limitation, contributions or payments on account of any under-funding with respect to
25 any pension plans) or any other payment to employees of the Debtors, and (y) in respect of any
26 employee pension plan, employee health plan, employee retention program, employee incentive
27 program or any other similar agreement, plan or program to which any Debtors are a party
28 (including, without limitation, liabilities or obligations arising from or related to the rejection or

1 other termination of any such plan, program agreement or benefit); and (b) Purchaser shall in no
2 way be deemed a party to or assignee of any such employee benefit, agreement, plan or program,
3 and all parties to any such employee benefit, agreement, plan or program are enjoined from
4 asserting against Purchaser and their Related Persons any Claims arising from or relating to such
5 employee benefit, agreement, plan or program.

6 131. The Debtors have demonstrated that it is an exercise of their sound business
7 judgment to assume and assign and sell the Assumed Contracts to Purchaser in connection with
8 the consummation of the sale of the Opco Assets to Purchaser, and the assumption, assignment,
9 and sale of the Assumed Contracts is in the best interests of the Debtors, their estates, their
10 creditors, and all parties in interest. The Assumed Contracts being assigned and sold to Purchaser
11 are an integral part of the Opco Assets being purchased by Purchaser, and accordingly, such
12 assumption, assignment, and sale of the Assumed Contracts are reasonable and enhance the
13 value of the Debtors' estates.

14 132. By implementing the Stalking Horse APA, (a) the Debtors will have provided
15 adequate assurance of cure of any monetary default existing prior to the Closing under any of the
16 Assumed Contracts, within the meaning of Section 365(b)(1)(A) of the Bankruptcy Code, and
17 will have provided adequate assurance of compensation to any party for any actual pecuniary
18 loss to such party resulting from a default prior to the date hereof under any of the Assumed
19 Contracts within the meaning of Section 365(b)(1)(B) of the Bankruptcy Code, and (b) Purchaser
20 will have provided adequate assurance of its future performance of and under any of the
21 Assumed Contracts, within the meaning of Section 365(b)(1)(C) of the Bankruptcy Code.

22 **D. APPROVAL OF THE SETTLEMENTS, RELEASES**
23 **AND EXCULPATIONS PROVIDED UNDER THE PLAN.**

24 133. Based upon the wide ranging support for the Plan among secured and unsecured
25 creditors, and the Court's finding that the Plan is the best option the Debtors' creditors have to
26 preserve the economic viability and job sustaining value of the Debtors' assets, the Court
27 concludes that each of the settlement, release, exculpation and related provisions of Article X. of
28 the Plan are fair and necessary for the successful implementation of the Plan and are approved.

1 **1. The Global Settlement in Article X.B.2. of the Plan is Approved.**

2 134. The Official Creditors Committee announced its support of the Plan and
3 withdrawal of its motion for standing to prosecute the Going Private Transaction Causes of
4 Action around the time that the Solicitation Packages were distributed for voting purposes.
5 Based upon the record of the Chapter 11 Cases, the Court concludes that the Debtors were
6 justified in proposing to settle and release the Going Private Transaction Causes of Action
7 pursuant to the Plan, because such settlement and compromise is consistent with the factors
8 enunciated in *Protective Committee for Independent Stockholders of TMT Trailer Ferry, Inc. v.*
9 *Anderson*, 390 U.S. 414, 424 (1968), and *Martin v. Kane (In re A & C Properties)*, 784 F.2d
10 1377 (9th Cir. 1986), *cert. denied sub nom. Martin v. Robinson*, 479 U.S. 854 (1986), for
11 approval of settlements in bankruptcy cases. The low probability of success in the litigation, the
12 complexity, expense and delay necessarily associated with any such litigation, and the paramount
13 interest of the creditors and a proper deference to their reasonable views all weigh heavily in
14 favor of settlement here, not litigation. Accordingly, the Court concludes that the Global
15 Settlement and the provisions of Article X.B.2. constitute a fair and equitable settlement that is in
16 the best interests of the creditors and their estates, and one that satisfies in all respects the
17 requirements of *TMT Trailer* and *In re A & C Properties* for settlements proposed by chapter 11
18 debtors.

19 **2. The Exculpation Provisions of Article X.D. of the Plan Are Approved.**

20 135. Section 524(e) provides in relevant part that “discharge of a debt of the debtor
21 does not affect the liability of any other entity, on or the property of any other entity for, such
22 debt.” In *In re Lowenschuss*, 67 F.3d 1394 (9th Cir. 1995), the Court of Appeals for the Ninth
23 Circuit held that Section 524(e) applies to chapter 11 plan bankruptcy discharges. However,
24 bankruptcy courts generally recognize that Section 524(e) is silent on whether a chapter 11 plan
25 or confirmation order could affect the liability of a non-debtor on statutory grounds *other than a*
26 bankruptcy discharge. Here the exculpation provision of Article X.D. does not violate section
27 524(e) because it is based upon the more limited exculpation provisions that are expressly
28 contemplated and permitted by Bankruptcy Code section 1125(e).

1 136. Section 1125(e) provides a grant of immunity from liability not only under the
2 securities laws, but also under any law, rule, or regulation governing solicitation or acceptance of
3 a plan, to any person that participates in good faith in the solicitation of acceptances of a plan or
4 the offer, issuance, sale or purchase of a security offered or sold in connection with the plan.
5 Read literally, nothing in section 1125(e) limits that protection to post-petition activities.
6 Moreover, another related provision of Section 1125, Section 1125(g), contemplates and
7 authorizes solicitation of acceptances of a chapter 11 plan prior to commencement of a
8 bankruptcy case if solicited in compliance with applicable non-bankruptcy law.

9 137. Here, as discussed in Article II. of the Disclosure Statement, the Debtors
10 conducted such pre-bankruptcy solicitations as part of their ongoing restructuring efforts dating
11 back to late 2008. Specifically, during 2008 and the first six months of 2009, the Debtors
12 engaged in various discussions with the lenders under the Prepetition Opco Credit Agreement
13 and the CMBS Loans and holders of the Senior Notes and Senior Subordinated Notes regarding
14 restructuring alternatives for the Debtors' outstanding indebtedness. Indeed, in November 2008,
15 the Debtors made an offer to exchange new secured term loans for the outstanding Senior Notes
16 and Senior Subordinated Notes, which would have included a restructuring of the Prepetition
17 Opco Credit Agreement and the CMBS Loans. The November 2008 exchange offer was
18 unsuccessful.

19 138. In February 2009, the Debtors solicited votes from the holders of the Senior Notes
20 and Senior Subordinated Notes for a prepackaged plan of reorganization pursuant to which the
21 holders of the Senior Notes and Senior Subordinated Notes would have received second and
22 third lien notes, respectively, and cash in a plan of reorganization, and the outstanding
23 indebtedness under the Prepetition Opco Credit Agreement and CMBS Loans would have been
24 restructured. The solicitation for the prepackaged plan of reorganization did not receive
25 sufficient votes to approve the plan, and that plan did not proceed.

26 139. In March 2009, the holders of a majority in principal amount of each series of
27 Senior Notes and Senior Subordinated Notes entered a forbearance agreement with SCI with
28 respect to the events of default resulting from SCI's failure to pay interest on the Senior Notes

1 and Senior Subordinated Notes. Majority lenders under the Prepetition Opco Credit Agreement
 2 likewise entered into a forbearance agreement with SCI relating to various purported events of
 3 default. During the period from March 2009 to the commencement of the Chapter 11 Cases, the
 4 Debtors continued to negotiate the terms of a consensual restructuring with the various creditors
 5 of the Debtors.

6 140. The Court is of the view that, as long as the pre-petition restructuring efforts were
 7 made in good faith and in compliance with the applicable provisions of chapter 11 (as expressly
 8 required by Section 1125(e)), such conduct is precisely the type of activity that section 1125(e) is
 9 designed to protect. It would be inequitable, and would not comport with the plain intent of
 10 Section 1125(e) if, after confirmation of the Plan and implementation of the Restructuring
 11 Transactions, the Exculpated Parties -- the Persons and Entities on the Debtor and creditor sides
 12 that actively participated in the process of reaching a consensual chapter 11 plan -- could then be
 13 sued for their good faith prepetition and post-petition restructuring efforts. Accordingly, the
 14 Court concludes that each of the Exculpated Parties is entitled to the protections afforded them
 15 by Section 1125(e) and Article X.D. of the Plan.¹⁴

16 3. The Releases in Article X.C. of the Plan are Approved.

17 141. A release of non-debtor third parties voluntarily and knowingly given by a
 18 creditor or equity holder in connection with a chapter 11 plan does not implicate the concerns
 19 regarding third party releases discussed by the Ninth Circuit Court of Appeals in *Lowenschuss*,
 20 *supra*. See e.g., *In re Pacific Gas & Elec. Co.*, 304 B.R. 395, 416-18 (Bankr. N.D. Cal. 2004)
 21 (confirming plan that included governmental agency's release of debtor's parent entity and its
 22 officers and directors because the agency had consented to the release); *In re Hotel Mt. Lassen*,

23
 24 ¹⁴ Other bankruptcy courts in recent contested chapter 11 cases have approved plan exculpation clauses
 25 at least as broad, if not broader, in scope than that proposed in these Chapter 11 Cases. See, e.g., *In re*
 26 *Citadel Broadcasting, Inc.*, Case No. 09-17442, 2010 WL 210808, at *30 (Bankr. S.D.N.Y. May 19,
 27 2010) ("Exculpated Claims" included all claims relating to the debtors' in or out of court restructuring
 28 efforts, and "Exculpated Parties" included, among others, the holders of the senior secured debt and their
 agent, the agent and indenture trustee for the subordinated noteholders, and each of their respective
 professionals and affiliates); *In re CIT Group, Inc.*, Case No. 09-16565, 2009 WL 4824498 (Bankr.
 S.D.N.Y. Dec. 8, 2009) at *25 (the exculpated parties included a steering committee of prepetition
 lenders, the DIP lenders and their agent, the exit facility lenders and their agent, the indenture trustees for
 the unsecured note issuances).

1 *Inc.*, 207 B.R. 935, 941 (Bankr. E.D. Cal. 1997) (“[a]ny third-party release in connection with a
2 plan or reorganization, at a minimum, must be fully disclosed and purely voluntary on the part of
3 the releasing parties and cannot unfairly discriminate against others.”).

4 142. Here, the Third Party Release was plainly described on the Ballot used to solicit
5 votes in favor of the Plan. Thus, the Third Party Release does not violate Section 524(e) or any
6 of the concerns discussed in *Lowenschuss* and is an appropriate term of the Plan under Section
7 1123(a)(5), and is an appropriate term of the Plan expressly authorized by Section 1123(b)(3)(A)
8 (the settlement or adjustment of any claim belong to the debtor or the estate).

9 143. The Court concludes that the settlements, compromises, releases, exculpations,
10 discharges and injunctions set forth in the Plan are fair, equitable, reasonable and in the best
11 interests of the Debtors and their respective Estates and the Holders of Claims and Equity
12 Interests, and are approved.

13 **4. The Transferees of the New Opco Acquired Assets**
14 **and New Propco Acquired Assets Shall Not be**
15 **Liable Under Any Successor Liability Theories.**

16 144. The operation of Sections 363 and 1141 foreclose the ability of creditors to obtain
17 a finding of successor liability against the transferees of the Debtors’ assets. It would undermine
18 the purposes of chapter 11 if creditors could get around the effect of confirmation of a chapter 11
19 plan by asserting successor liability claims after confirmation. *See e.g., In re Trans World*
20 *Airlines*, 322 F.3d at 292 (to allow some general unsecured creditors to assert successor liability
21 claims against transferee of debtors’ assets, while limiting other creditors’ recourse to proceeds
22 of sale, would be inconsistent with Bankruptcy Code’s priority scheme). In this case, if the Plan
23 did not foreclose successor liability, the purchaser of the Opco Assets likely would not go
24 forward with the sale, and the transferees of the New Propco Transferred Assets likely would not
25 support the Plan. It is not insignificant that the Purchaser was the only entity at the end of the
26 day that made a Qualified Bid.

27 145. Even if the Court performed the successor liability analysis under applicable non-
28 bankruptcy law, including under Nevada law, it would find no basis at all for successor liability.

1 Therefore, the Court concludes that the transferees of the New Opco Acquired Assets and the
2 New Propco Acquired Assets and their Related Persons are not successors of the Debtors or the
3 Debtors' non-debtor subsidiaries, and, therefore, the "no successor liability" provisions of the
4 Plan are consistent with applicable law and shall be enforced in the Confirmation Order.

5 146. **PLAN SUPPORT MOTIONS APPROVED.**

6 147. The three Plan Support Motions reflect reasonable settlements of complicated
7 disputed issues of bankruptcy law, and each settlement is in itself a significant achievement for
8 the Estates. The underlying settlements and compromises are consistent with the factors
9 enunciated in *Protective Committee for Independent Stockholders of TMT Trailer Ferry, Inc. v.*
10 *Anderson*, 390 U.S. 414, 424 (1968), and *Martin v. Kane (In re A & C Properties)*, 784 F.2d
11 1377 (9th Cir. 1986), *cert. denied sub nom. Martin v. Robinson*, 479 U.S. 854 (1986), for
12 approval of settlements in bankruptcy cases. Each of the Plan Support Motions is independently
13 approved, and the Confirmation Order shall provide that the terms of the underlying settlements,
14 stipulations and agreements thereof are incorporated into the Plan and Confirmation Order, and
15 the parties to such settlements, stipulations and agreements shall be authorized and directed to
16 comply with their obligations thereunder.

17 E. **THE PLAN MODIFICATIONS ARE APPROVED.**

18 148. The Plan Modifications comply with each of the applicable requirements of
19 Section 1127 and Federal Rule of Bankruptcy Procedure 3019 concerning adequate notice,
20 adequate disclosure, and compliance with the procedural and substantive requirements of
21 Sections 1121 through 1129. Accordingly, the Confirmation Order will provide that the Plan
22 Modifications are approved and all references to the Plan in these Finding of Fact and
23 Conclusions of Law and in the Confirmation Order shall mean as modified by the Plan
24 Modifications.

25 F. **THE AMENDMENT TO THE STALKING HORSE APA IS APPROVED**

26 149. The Court is of the view that the APA Amendment contains reasonable
27 accommodations by the Parties consistent with the Plan Modification in respect of the
28 assumption and assignment of contracts and leases. Further, the parties agreement to push out

1 the deadline for any determination of the Debtors' tax liability arising from the Plan, the Stalking
2 Horse APA and the other Restructuring Transactions to a time after the Confirmation Date and
3 before the Effective Date is a reasonable accommodation to the reality that the Debtors have not
4 yet received the private letter ruling they are seeking from the Internal Revenue Service, which
5 request they disclosed and discussed in the Disclosure Statement. *See* Disclosure Statement at
6 Articles VIII.A.5. and X.A.1. Accordingly, the Confirmation Order will provide that the APA
7 Amendment is approved, and all references to the Stalking Horse APA in these Findings of Fact
8 and Conclusions of Law and in the Confirmation Order shall mean as amended by the APA
9 Amendment.

10 **G. EXEMPTIONS FROM SECURITIES LAWS.**

11 150. Article VI.A. of the Disclosure Statement, entitled "U.S. Securities Law Matters,"
12 provides adequate notice to all parties in interest that, subject to certain exceptions discussed in
13 Article VI, "all debt instruments, to the extent they constitute securities, and equity securities to
14 be issued in conjunction with the Plan will be issued without registration under the Securities Act
15 or any similar federal, state, or local law in reliance upon the exemptions set forth in
16 Section 1145 of the Bankruptcy Code or, if applicable, in reliance on the exemption set forth in
17 section 4(2) of the Securities Act or Regulation D promulgated thereunder."

18 **H. EXEMPTIONS FROM TAXATION.**

19 151. Pursuant to Section 1146(a) of the Bankruptcy Code, any transfers of property
20 pursuant to the Plan shall not be subject to any Stamp or Similar Tax. The Confirmation Order
21 will provide that all federal, state or local governmental officials or agents shall forgo the
22 collection of any such Stamp or Similar Tax or governmental assessment in connection with
23 transfers of property under the Plan, and accept for filing and recordation instruments or other
24 documents pursuant to such transfers of property without the payment of any such Stamp or
25 Similar Tax or governmental assessment. Such exemption specifically applies, without
26 limitation, to all actions, agreements and documents necessary to evidence and implement the
27 provisions of and the distributions to be made under the Plan and the transfers of property under
28

1 the Restructuring Transactions, including without limitation the recordation of any mortgage
2 pursuant to the New Propco Credit Agreement.
